The 2020-2021 application for Free/Reduced Price Meals is available online at www.MySchoolApps.com. Applying online is the fastest and most efficient way to apply for meal benefits. However, paper meal applications may be obtained from the school cafeteria or the Child Nutrition Department. To apply for free or reduced price meals, households should fill out **one** application for the household and return it to the school. Complete either a paper application or an on-line application, but not both. Additional paper copies are available at each school. Applications may be submitted at any time during the year. The information provided by the household is confidential; it will be used for the purpose of determining eligibility. Information may be verified at any time during the school year by school or other program officials.

All children in households with any household member receiving benefits under Assistance Programs (Supplemental Nutrition Assistance Program (SNAP), Family Independence Temporary Assistance Program (FITAP) or Food Distribution Programs on Indian Reservations (FDPIR)) are eligible for free meals. For school officials to determine eligibility, each household that is now receiving benefits from Assistance Programs must provide the case number of a household member as well as the signature of an adult household member.

All other households must provide the following information on the application: names of all household members; the amount of income (before deductions for taxes, Social Security, etc.) that each household member receives; how often the person receives the income; where it is from, such as wages, retirement, or welfare; the signature of an adult household member certifying that the information provided is correct; and the last four digits of the social security number of the adult household member who signed the application, or a statement that the household member does not possess one.

Children categorized as foster, homeless, runaway, migrant, or enrolled in state-funded Head Start or Even Start programs, **if known**, are automatically eligible for free meals. School officials will determine eligibility for free meals based on documentation obtained directly from the program office and notify the household of their eligibility for benefits. The household must notify the school if it chooses to decline benefits. The household **should complete an application if they are not notified of free meal eligibility by August 6, 2020.**

If a household member becomes unemployed or if the household size increases, the household should contact the school. Such changes may make the children of the household eligible for meal benefits.

Under the provisions of the free and reduced price policy, Monique Age-Romero, Child Nutrition Director, will review applications and determine eligibility. If a parent or guardian is dissatisfied with the ruling of the official, he may wish to discuss the decision with the determining official on an informal basis. If the parent wishes to make a formal appeal, he may make either an oral or written response to the following:
Jerry Smith, Executive Director of Student Services, 13855 River Road, Luling, LA 70070, (985) 785-3142

The policy contains an outline of the hearing procedures.

4.02 Superintendent's Report

2020-2021 School Year
We are quickly approaching the start of the 2020-21 school year.
Throughout the summer, teachers and administrators participated in professional development to prepare for our core business of – teaching and learning in whatever phase we may be in!
I would like to thank School Board Members, teachers, administration, custodians, maintenance, bus drivers, parents, secretaries, child nutrition, nurses, central office staff and all who have assisted in preparing to reopen our schools. Because of your hard work, commitment and focus, the St. Charles Parish Public School System is excited for the 2020-21 school year to begin.
We understand that communication is critical in the school system's ability to engage parents and families. There are several things that the public information department has prepared to help students, parents and families get ready for the upcoming school year.
A Strong Start School Reopening Guide will be soon be sent to families via email and linked to the district website. This guide will contain comprehensive information relative to our return to schools including health and safety measures, instruction, child nutrition, transportation, and how classes will be facilitated relative to different phases.
A Back-to-School brochure is being mailed to all St. Charles Parish residents prior to school reopening. Please check your mailbox in the coming weeks for the brochure.
Students will once again receive an InBox at the beginning of the school year. The InBox contains important district and school documents for the year. I'd like to thank Shell Norco Manufacturing Complex for its continued support of funding for the InBox. Please be sure to review the information in the InBox and complete any back-to-school paperwork before the deadline.

Youth Rally
The annual Youth Rally for St. Charles Parish students and parents will take place on Saturday, August 1, 2020 from 9:00 A.M. – 12 noon in the Dr. Rodney R. Lafon Performing Arts Center parking lot. The rally is sponsored by St. Charles Parish Sheriff's Office, Alpha Daughters of Zion, Blessed, To Be A Blessing, United Way of St. Charles, and St. Charles Parish Public Schools. This year's event will be a drive through school supply give away to the first 700 St. Charles Parish residents. Social distancing mandates will be in effect. This is a great kick-off to the school year! Hope to see you there.

Community Education Fall 2020
Due to uncertainties for Fall 2020, we have decided to cancel the Community Ed Fall 2020 semester. This is being done out an abundance of caution to keep our community members safe and to eliminate unexpected cancelations, like we had to do for Spring 2020. The Community Ed Team will focus efforts on planning for Spring 2021. A survey will be sent to Community Ed Instructors and participants soon to gather important feedback to plan for Spring 2021 semester. We appreciate your interest in our program and apologize for any inconvenience that may be caused by canceling the semester. Thank you for your understanding and continued support. If you have questions or concerns regarding Community Ed, please call 985-785-7268 or email mplattsmier@stcharles.k12.la.us

eLearning Program
We know there are many questions surrounding the new eLearning Program. We recognize that more detailed information is needed for parents in order to make an informed decision. Flexibility in registering for the eLearning Program beyond the July 15th deadline will be allowed to give families time to review more detailed plans which may alter their decision. However, once the eLearning Program Guide has been released, there will be a cut-off date for registration that must be adhered to for staffing and support purposes.
