Destrehan Plantation will host spring garden, pet show

Petting zoo with baby kangaroo, beekeeping demos for kids

Jonathan Menard Publisher
jonathanm@heraldguide.com

After the success of last year's spring garden show, Destrehan Plantation will host the second annual event from Saturday, April 20 through Sunday, April 21.

But this time, it's for the dogs as well.

The Spring Garden and Pet Show, put on by the plantation in partnership with the River Road Historical Society, LSU AgCenter, Louisiana Master Gardeners

DHS student who is National Merit Finalist with 4.37 GPA advances in Student of the Year competition

Ryan Arena Editor
ryana@heraldguide.com

Even before he arrived at Destrehan High School, Sean Baltazar was driven.

He knew he wanted to reach a four-year university and he knew that wouldn't be easily affordable: it would take a tremendous amount of hard work and he planned to carry that out and make his hopes a reality.

Baltazar is going to reach that milestone – and all of the work he's done along the way of his journey has added up to some tremendous accomplishments. The most recent of which saw the Destrehan High School senior named finalist for Louisiana's Region II 12th grade Student of the Year. Finalists will convene at the River Center Branch Library in Baton Rouge on April 10 for an awards ceremony where the Louisiana Students of the Year winners will be announced.

Baltazar, Thanuja Parasuraman of St. Rose Elementary School and Isabella LeBlanc of R.K. Smith Middle School were named the 2023 St. Charles Parish Students of the Year,

Sean Baltazar

with each student advancing to the regional contest.

Baltazar emerged as one of the final 12th grade contenders. To be selected as a student of the year, a student must earn a cumulative 3.1 GPA and be in grade 5, 8, or 12. All students of the year must compile a portfolio, write a biographical sketch, and be interviewed by a Student Achievement Committee.

Baltazar has achieved a cumulative GPA of 4.3774 and a score of 34 on the ACT. He is a team captain of the Wildcats highly successful robotics team and helped the program reach the World Championships. He's been a part of numerous clubs at Destrehan and is also a regular volunteer in the community.

"It's been a very pleasant surprise to keep advancing," Baltazar said. "I think I've definitely put in a lot of hard work and it's nice to represent Destrehan High at these levels. I hope I can go all the way, but even if not, it's been a great experience. Everyone's been so supportive and proud and it definitely feels nice to have that."

Free Easter egg hunt in St. Rose features spacewalks, music and prizes

Ryan Arena Editor
ryana@heraldguide.com

While Donielle White may live in Luling today, her ties to St. Rose are forever – as is her desire to uplift the area's youth however she can.

"I was born and raised in St. Rose ... really, most of these kids are related to me or are family in some way, shape or form," said White, a paraeducator at Albert Cammon Middle School in St. Rose. "And I want to give back to the community we were raised in."

White is about to host her second annual Easter egg hunt event in St. Rose on Saturday from 12 p.m. to 3 p.m. The event will be held at Parquet Park (190 Short Street) and there will be food, games, prizes and music for those attending – and of course, a chance to find those Easter eggs and the candy inside of them.

There will be spacewalks – one for toddlers and one for older

Teacher of the Year

HIGH SCHOOL

Helping refugees learn English first drew High School Teacher of the Year to profession

Jonathan Menard Publisher
jonathanm@heraldguide.com

It was while earning her degree in ethnic studies and Spanish from Cornell College in Iowa that DHS teacher Kelsey Rosales first realized she wanted to be an educator.

Kelsey Rosales with her son, Alessandro, and her husband, Jose.

“In college, I had the opportunity to tutor adult refugees who were trying to learn English. I loved the experience and my students,” Rosales said. “It gave me a sense of purpose and connection to be able to meet people where they were at, assist them, and help them accomplish a skill that was life-changing.

“We learned about each other’s cultures, traditions and countries while learning a language together. That is still what I love most about teaching language: building bridges through language and culture.”

Rosales grew up in Minnesota near the mouth of the Mississippi River but has lived near that river’s end since moving to Louisiana in 2006. She met her husband while on vacation in New Orleans in 2005.

“I am a non-native Spanish speaker and started learning Spanish in 10th grade, just like my students,” she said. “My husband is originally from Honduras and we improved our language skills together.”

Rosales first got into teaching after a friend encouraged her to get her teaching certification during the post-Katrina teacher shortage. Rosales has now

taught Spanish for 15 years, but has added a major accolade to her resume - that of St. Charles Parish Public Schools High School Teacher of the Year.

“What a blessing and an honor to represent St. Charles Parish Public Schools

because they have given me so much in my career and have shaped me into the teacher I am today,” she said.

After being named the High School

The ABCs of SCPPS

A QUARTERLY UPDATE FROM ST. CHARLES PARISH PUBLIC SCHOOLS • MARCH 2024

A ACADEMICS, ATHLETICS, & THE ARTS

Satellite Center PTEC Team Members visit Entergy's Little Gypsy Plant.

St. Charles Parish Public Schools is committed to aligning education with future job markets through strategic pathways and partnerships. By collaborating with economic and workforce development organizations, the school system ensures courses match regional workforce needs, focusing on high-wage, high-demand careers.

The school system has developed partnerships with local community and technical colleges, universities, and training providers, enabling students to earn college and professional learning credits before graduating. This initiative aims to make post-secondary education more affordable and accessible, guiding our graduates toward productive careers.

SCPPS high schools offer robust Career and Technical Education (CTE) courses in fields such as carpentry, welding, electricity, drafting, and robotics in addition to a wide variety of courses offered at the Satellite Center. All of these programs are designed to meet workforce projections and are supported by industry advisory boards.

POST-SECONDARY CREDENTIALS: High school students have access to 36 industry-based certifications and 65 college courses. The Class of 2023 earned 3,197 college credits through dual enrollment, a significant increase from previous years.

STEM PATHWAY DEVELOPMENT: Project Lead the Way (PLTW) courses are offered in biomedical science, engineering, and computer science, emphasizing hands-on learning to build skills for STEM careers. In the 2022-2023 school year, approximately 750 middle school students completed PLTW units and approximately 450 high school students received high school credits for completing a PLTW course.

GRADUATION PATHWAYS: Students have the flexibility to pursue courses, career-oriented electives, and industry-based certifications to prepare for four-year colleges, two-year colleges, or other training programs. This approach ensures diverse opportunities to meet the needs of every student.

D DEVELOPMENTS & DIRECTION

With a commitment to learning for life, SCPPS employees are expected to participate in professional learning opportunities. Employees must complete mandatory training annually and as new topics arise. In the 2023-2024 school year, faculty and staff members have completed training in the following areas: mandatory reporting procedures (Department of Children and Family Services), trauma informed training for Adverse Childhood Experiences (ACEs), suicide prevention, sexual harassment, child abuse and neglect, seizures, bullying recognition, and the Louisiana Code of Ethics. Additionally, several departments - such as Transportation, Child Nutrition, and Maintenance - participate in individual training plans specific to safety and operations based upon department needs.

B THE BULLETIN BOARD

BOARD UNDER NEW LEADERSHIP: At its meeting in December, the St. Charles Parish School Board elected Ellis Alexander and John Smith to lead the Board as its 2024 President and Vice President respectively. A native of Hahnville and a 1966 graduate of G.W. Carver High School, Mr. Alexander has served St. Charles Parish as a school board member for 17 years. Likewise, Mr. Smith is also an SCPPS alumnus, having graduated from Mary McCleod Bethune High School in 1959. He is a native of St. Rose and has served as a school board member for 41 years.

FINANCIAL AUDIT REPORT: LaPorte CPAs & Advisors presented a report of their comprehensive financial audit for the previous fiscal year to the School Board on February 7. The auditor's report disclosed no findings, stating that the School Board's financial statements were presented fairly and in compliance with federal program requirements. These audit results demonstrate the St. Charles Parish School Board's continued commitment to responsible stewardship of public funds.

2024-2025 CALENDAR ADOPTED: Following a review of calendar survey data and additional feedback received, the 2024-2025 school year calendar was adopted at the November 15th School Board Meeting. The calendar, which was developed by a diverse committee of school board members, a business and industry representative, parents, teachers, principals, students, and district staff members, is aligned to stakeholder feedback submitted through the calendar survey and includes a teacher start date of August 1, 2024, student start date of August 8, 2024, student end date of May 22, 2025, and teacher end date of May 23, 2025. The calendar survey received 2,114 responses this year with an additional 50 emails received after the calendar's first reading. As part of an ongoing commitment to community engagement, the survey results and proposed calendar were shared on the district's website and Facebook page, allowing stakeholders the opportunity to review the proposed calendar and submit feedback prior to the Board's vote.

C CONFERENCE WITH THE SUPERINTENDENT

Dr. Ken Oertling

As we strive for excellence in education, we recognize the invaluable role stakeholders play in shaping the present and future of our system. We are deeply committed to fostering strong partnerships and meaningful engagement with all members of our community. A few ways we actively collaborate and seek input include:

- Superintendent's Stakeholder Advisory Committee:** This committee provides a platform for employees and parents to offer insight and feedback directly to district leadership, ensuring diverse perspectives are considered in decision-making processes.
- Superintendent's Student Advisory Committee:** Empowering student voices is crucial to our mission. This committee allows students to share their experiences, concerns, and ideas, helping us create a supportive and enriching educational environment.
- SCP Youth Coalition:** We engage with our sheriff's office, judicial system, and community support service programs to address challenges impacting our system and community.
- Faith-Based Collaboration:** Partnering with faith-based organizations strengthens our community ties and allows us to provide holistic support to students and families.
- Business & Industry Advisory Boards:** Collaboration with local businesses/industries ensures our curriculum remains relevant in preparing students for success in the regional workforce.
- Business & Industry Breakfasts:** These events facilitate networking and dialogue between educators and industry leaders, fostering opportunities for collaboration and innovation.
- Open Houses/Parade of Schools/Education Expeditions:** We welcome the community into our schools, providing opportunities for families and the community to connect with teachers and administrators while viewing the high-quality educational opportunities provided.
- Long-Range Strategic Action Plan System-Based Teams:** Through strategic planning, we align our goals with the needs of our community, laying the foundation for continuous improvement and student success.
- Legislative Breakfasts:** Advocating for our students and schools at the legislative level is essential. These breakfasts provide a forum for discussing policy issues and advocating for the resources our schools need.
- Calendar Committee:** Involving stakeholders in the calendar planning process ensures that our academic schedules align with the needs and preferences of our community.
- Stakeholder Discipline Committee:** By involving stakeholders in disciplinary processes, we promote transparency and fairness, while also fostering a safe and supportive school climate.

We are grateful for the dedication and support of our community members, whose contributions enrich our students' educational experiences and strengthen our district's fabric. As another opportunity to engage with you, our stakeholders, please scan the QR code below to inform us of future topics you would like to see in the ABCs.

Together, we will continue to strive for excellence and ensure that every student has the opportunity to reach their full potential. You and I...We are St. Charles Parish Public Schools.

Teacher of the Year

MIDDLE SCHOOL

Middle School Teacher of the Year glad she followed mom’s advice

Jonathan Menard Publisher
jonathanm@heraldguide.com

When Breanna Webre walked to the stage after being named St. Charles Parish Public Schools Middle School Teacher of the Year, she may have broken a “curse” in the process.

Breanna Webre and her husband, Austin.

“It was told to me that it has been at least 20 years since a teacher from Cammon has won district teacher of the year, and so, as it was told to me, I broke the ‘Cammon Curse,’” Webre said.

Webre has been a teacher at Albert Cammon Middle School for the last five years. For four of those years, she taught both 7th and 8th grade social studies, but this year she focused on the 7th grade and taught social studies focusing on American history, spanning the years from 1789-1877.

Webre was initially shocked at being named the Middle School Teacher of the Year, but said she is excited to represent her school at the statewide level.

“I also thought about all the amazing teachers and mentors I’ve had throughout the years that have helped me get to this point,” she said. “Especially Kandyce Simoneaux, LeNeshia Markey, Kerrie Guilmino, Wendy Treuting, and Dr. Gabrielle DeLatte that have worked closely with me over the years to help me become the educator that I am today.”

Webre is a product of St. Charles Parish Public Schools, having grown up in Luling and graduating from Hahnville High School in 2015. Her mother always

told her she would be a good teacher, but Webre said she pushed it off constantly because everyone told her the pay wasn’t worth it.

“My senior year of high school, I was in digital media, and loved it but realized

it was not the profession for me,” she said. “I found myself constantly in the STAR (now Educators Rising) room and was always interested in what my

Teacher of the Year

ELEMENTARY SCHOOL

Elementary School Teacher of the Year brings touch of Disney magic to her classroom

Jonathan Menard Publisher
jonathanm@heraldguide.com

Amanda Morgan was speechless. “Me? Never in my wildest dreams did I imagine hearing my name being called,” she said.

Morgan, who teaches third-grade ELA and social studies at Ethel Schoeffner

Amanda Morgan

Elementary School was recently named the Elementary School Teacher of the Year by St. Charles Parish Public Schools.

Morgan has spent 13 years as an educator in St. Charles Parish, teaching first, second, third and fourth graders at multiple schools across the district. She resides in Norco with her husband, Jeremy, and their three boys Jackson, Blake and Tyler.

Morgan called her award the highlight of her year.

“Being recognized by my colleagues and faculty is such an honor,” she said. “To be recognized by my entire district and community means the world to me. Having my family there with me to celebrate such an amazing accomplishment was such a special moment.”

When Morgan arrived at school Friday following the award ceremony, her classroom and hallway were decorated in colorful streamers and balloons. Banners covered the walls congratulating her and the entire faculty wore “Mickey Ears” for the day to show their support.

Her students also were decked out in Disney gear.

“I get to do what I love each and every day because of them,” Morgan said.

“They are the true stars!”

Morgan has always enjoyed social organizing and sharing her creative passions with others, and while conducting new hire orientation for the Walt Disney Company in Orlando, Fla. she realized her true passion for teaching others.

“I decided to move back home to Louisiana, went back to school to earn my Masters in Education, and began my teaching career here in St. Charles Parish,” she said. “As a third grade

BUYING OR SELLING A HOME?
WENDY MAKES A DIFFERENCE!

Ranked #9
Company Wide 2022

Ranked #1 in
River Parish Office 2023

Wendy was awesome. She searched for the right house for us and when I called her about a house I had found she was ready and willing to take us to see it. And we found the perfect house! She made the transaction go smoothly. I would use her again if ever needed. Thanks Wendy!

- Debbie (Buyer in Raceland, referral from agent in Florida)

Working with Wendy and her company has been one of the best decisions my family and I have made. They are very knowledgeable, thorough and extremely easy to deal with. Over the years I've purchased, leased and sold multiple properties through her company. I rate this company 10 stars.

- Joey (Destrehan investor, repeat client)

Wendy was a tremendous help to us when we had to relocate. She took the time to answer all of our questions and, most importantly, she listened to what we needed. Now, we're in our forever home. Thanks Wendy!

- Clairise (Relocation buyer in Des Allemands)

Excellent. My husband and I would recommend Wendy to anyone, buying or selling a home. We had a great experience with Wendy and her entire team in selling our home in Destrehan this past March. She was there from beginning to end with us and always had solutions to the concerns that popped up during this time. We highly recommend Wendy Benedetto as your Realtor. She is super!

- Jane (Seller in Destrehan)

Wendy was such a blessing to work with while purchasing my first home. She answered all of my questions thoroughly and had great recommendations on who to work with for the best mortgage and insurance rates. I highly recommend working with Wendy, and I will gladly work with her to buy/sell in the future!

- Ashley (Buyer in Luling)

Wendy was incredible. Living in Destrehan for nearly 12 years, we were used to houses being listed by her. She was incredibly responsive, no matter the hour or day, and worked with us to accomplish exactly what we wanted with our sale. She was knowledgeable about comps and price points to attract certain buyers and knows absolutely everyone to help address roofing, electrical work, general construction, etc. Amazing and easy process. Wouldn't go with anyone else!

- Patrick (Seller in Destrehan)

Major upgrades planned for Norco’s Bethune Park

Jonathan Menard Publisher
jonathanm@heraldguide.com

It has been 25 years since any significant upgrades were made to Bethune Park in Norco, but the St. Charles Parish Department of Parks and Recreation is looking to change that with a major project expected to begin this year.

“This park update is well overdue as we try to work our way across the parish in an efficient and fiscally responsible manner to ensure our parks make a positive impact on our residents,” Alissa Cavaretta, Assistant Director of St. Charles Parish Parks and Recreation, Public Relations, said.

The project includes adding multi-purpose fields, which will add space for flag football season. Additionally, plans include new fencing, new backstops, a new batting cage, the

addition of a large pavilion, a new basketball court and sail shades for sun protection, Cavaretta added.

The Bethune Park project is

currently in the bidding process and the budget to complete the upgrades is \$600,000. Once the department opens bids and selects a contractor, they will

Bethune Park in Norco.

bring it in front of the Parish Council. “If it is approved from there, a notice to proceed is issued for work to begin shortly thereafter,” Cavaretta said.

The park will be accessible to residents throughout the duration of baseball, softball and T-ball season this spring.

“This is great for our Norco residents as they will maintain full access in the hopes of having the park completed for the next spring season,” Cavaretta said. “Once construction begins, access to the park will be limited. However, this is not anticipated to interfere with any department-specific sports activities.”

The planned upgrade comes after the Department of Parks and Recreation revisited its master plan in 2021.

“One of the main takeaways from the plan is to have a community park in each area where booster clubs have adequate space to practice and hold games when necessary,” Cavaretta said.

Easter egg hunt will feature train rides, games and face painting

Jonathan Menard Publisher
jonathanm@heraldguide.com

The second annual Rae Dior Couture Easter Egg Hunt will take place on Sunday, March 24 from 1-5 p.m. at the Jerusalem Shriners building in Destrehan.

The egg hunt also will include train rides, games, face painting, pictures with the Easter Bunny and a performance from the Boss Bratz. Small businesses will have giveaways and there will be a hidden golden egg with money inside.

Free cotton candy and popcorn will be available as well.

OPEN HOUSE EVENT

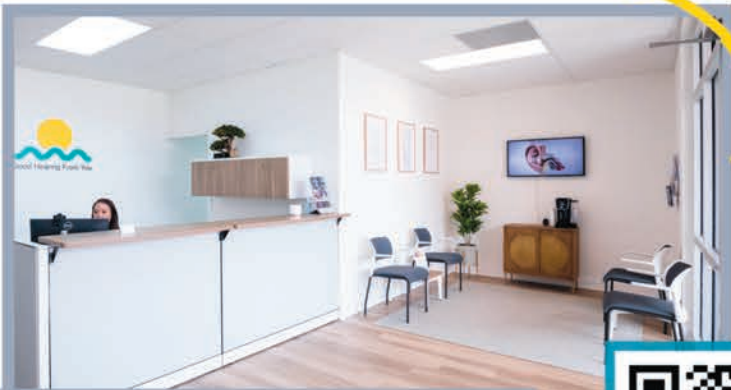

March 21- April 5, 2024

Join us for an open house event with Dr. Hung Mai, our Audiologist. Learn about your hearing, get personalized guidance, and complimentary refreshments. Don't miss out!

What makes us different?

- Independent and offer most major hearing aid brands
- Tailored-fit hearing solutions using Real Ear Measurements
- Variety of price ranges for different budgets and lifestyles
- Many major insurances accepted
- Easy access to building with ample parking

Learn more by visiting our website
www.amplehearing.com

SPECIAL OFFER

Your appointment will include complimentary:

- Video Ear Inspection
- Audiometric Screening
- Hearing consultation with our Audiologist
- Demonstration of the Newest Technology
- Hearing aid cleaning for current hearing aid user
- Complimentary Refreshments

CALL US TODAY
504-375-3075
To book your appointment.
Don't wait, special ends April 5, 2024!

For current hearing aid user:
Ready for an upgrade?

Trade in your old hearing aid for new technology

GET UP TO
\$700

DESTREHAN from 1A

and the St. Charles Parish Animal Shelter, will showcase plant nurseries and vendors selling unique items for porches, patios, yards, gardens and pets. Non-profit rescue havens also will be at the show with dogs and cats available for adoption.

tools and nature-themed toys such as bird callers, bird houses and wheelbarrows for children.

“We will also be selling Peggy Martin rose bushes and groundcover rose bushes,”

Monica added.

Three musical acts will perform during the weekend, with harpist Megan Kwiatkowski playing on Saturday from 10 a.m. to noon and Nola Dukes Jazz Quarter taking the stage afterwards from noon until 3 p.m. Peyton Falgoust will put on a solo acoustic performance from noon to 3:15 p.m. on Sunday.

A food court will include spring drinks both with and without alcohol.

Monica stressed that the Spring Garden and Pet Show will have something for everyone.

“Adults can enjoy shopping for plants, porch, patio, yard, and gardening merchandise,” she said. “They can enjoy the educational presentations throughout the day. Children can enjoy the activity tent with spring themed arts and crafts.”

Admission to the show cost \$5, with children five an under getting in free. Dogs are welcome at the event, but they must be leashed. The festival will be open from 10 a.m. - 4 p.m. each day.

Melissa Monica, who handles media and public relations for Destrehan Plantation, said the idea to include a pet show came about after some guests brought their pets last year even though only service dogs were allowed.

“We let them in,” she said. “I’m a dog enthusiast and I follow St. Charles Parish Animal Shelter. I wanted to help them out by having a place for them at the show with rescue dogs available for adoption.”

While 52 vendors have signed up to sell their merchandise at the event, the Spring Garden and Pet Show also will include educational presentations on gardening, insects, wildlife and pet care. The presentations will cover many topics, including those on learning to live with wildlife, question and answer sessions with a master gardener, bird watching and how to plant a tree in the right spot.

“The exhibits this year are from the Greater New Orleans Bonsai Society. The U.S. Department of Agriculture will have an exhibit on invasive pests programs and insect display cases,” Monica said. “Silent Voices Raccoon & Wildlife Rehabilitation will have an exhibit on wildlife education and rehabilitation.”

There will also be plenty of children’s activities, including a petting zoo on Saturday that will include a baby kangaroo, an arts and crafts activity tent and bee-keeping demonstrations. A country store will include copies of the 2024 Farmers Almanac, gardening gloves,

Zeringue

Morris Zeringue, 74, a native and resident of Ama, LA, passed away on Tuesday, March 12, 2024.

He is survived by his son, Beau Zeringue (Nicole); grandchildren, Molly and Remy; brothers, Marion and Steve Zeringue and sisters, Dora “Dolly” Landry, Theresa Petit, Lorraine Landry, Julia Daigle, Jill Cantrelle and Dawn Pintado; and numerous nieces and nephews.

He was preceded in death by his wife Agnes Landry Zeringue; his parents, Placide and Dora S. Zeringue; brother, Vernon Zeringue and sisters, Diana Zeringue and Judy Zeringue Boudreaux.

Morris spent his life working hard whether it be building houses, growing a garden or just helping other people. His favorite thing to do was to hunt with fishing coming in a close second. He spent 20 years working for the St. Charles Parish recreation department building and maintaining a place for the residents of the parish to

play sports and exercise. In 2017 he was diagnosed with heart failure and received a Left Ventricle Assist Device (LVAD). With this device in place he continued to grow a garden and often ended up giving away most of the vegetables that he grew to anyone who wanted them. The device helped him to spend six and a half years surrounded by the people he loved.

Relatives and friends of the family are invited to attend the Funeral Services. Visitation will be held on Friday, March 22, 2024, at Westside/Leitz-Eagan Funeral Home, 5101 Westbank Expressway, Marrero LA beginning at 6:00 PM and lasting until 9:00 PM and again on Saturday, March 23, 2024, beginning at 9:00 AM and lasting until 11:00 AM. Visitation will be followed by a Memorial service at 11:00 AM. Burial will take place in St. Charles Mausoleum in Luling, LA.

In lieu of flowers please make a donation to St. Jude Children's Hospital in his honor.

<https://www.stjude.org/donate/donate-to-st-jude.html>

A special thanks to the doctors and staff of Ochsner Medical Center and the LVAD Team for their care and compassion.

Sheriff's Reports

Suspects are innocent until proved guilty in a court of law

Arrests

• **Lacy Pucheu, 24**, was arrested March 16 and charged with aggravated battery.

• **Jaden Champagne, 18**, of 315 Fourth Street in Luling, was arrested March 14 and charged with criminal trespass and illegal use of weapons or dangerous instrumentalities.

• **Sharidee Pitre, 54**, was arrested March 15 and charged with possession of

heroin, possession of methamphetamine, possession of marijuana, failure to display license plate, headlamps for motor vehicles and motorcycles, possession or distribution of drug paraphernalia and expired driver's license.

• **Anthony Barrient, 30**, of 329 Norco Street in Norco, was arrested March 14 and charged with DWI, possession of methamphetamine, possession or distribution of drug paraphernalia and traffic violation.

DAT GRILL from 1A

a.m. until the final customer of the day has ordered - “We’ll stay open as long as it takes,” Sweeney said – seven days a week. The restaurant serves breakfast, lunch and dinner, with lunch specials five days a week.

“It’s homestyle cooking,” Sweeney said. “We make our own stuff. I use sauces and recipes that come from other people, but we put it all together. We buy the chicken, the roasts, the steaks, marinate it and prep it our way. We’ll do breakfast, lunch and dinner ... we usually stop breakfast around 10:30, but if someone walks in during the afternoon and they want breakfast, if we’ve got time we’ll make it.”

Dat Grill opened in mid-January and has been evolving its menu and offerings since. If you’re hungry, chances are there’s something to fit the craving: the menu has a wide range from seafood to shrimp and grits to fried seafood, red beans and rice, jambalaya and pastalaya.

The most popular items, Sweeney noted, are the hamburgers and the roast beef.

“We’re bringing back quality food,” said Sweeney. “You’re getting an eight-ounce black angus steak burger when you’re here. For the roast beef, we bake a 20-pound roast, we slice it, mix in the gravy and it comes out real good. It’s about serving quality food at what we think is a reasonable price. We try to keep it here as much as we can (in terms of buying from local food vendors). Local stuff.

“We’ve got a little of everything. You can come in and get almost anything you want.”

The lunch specials begin with red beans and rice on Mondays and spaghetti and meatballs on Tuesdays. Wednesdays are a wildcard – the dish changes week to week, with jambalaya

Interior of Dat Grill

and barbeque baked chicken among the recent items. Thursday is hamburger steak and Friday is a seafood dish or white beans with fried chicken.

“And we will deliver,” Sweeney added.

The restaurant also does night-time specials, like steak night on Thursdays, with chicken wing and taco night specials also in the works.

Otherwise, there’s a full-service menu full of tasty items to choose from.

Sweeney said everything in the restaurant, equipment-wise, is brand new and the building has been remodeled.

“We want people to come on over and try us out,” Sweeney said.

HAZARDOUS from 1A

held in April each year in both St. Charles and St. John parishes, but took a small hiatus due to COVID-19 and Hurricane Ida before returning last year.

In 2023, the event was held at the West Bank Bridge Park in Luling.

Jan Herrington, who handles media relations for the event, said that officials are in the process of determining a new date but that it will not take place in the spring.

FINALIST from 2A

Baltazar said his tentative plans - “about 90 percent,” he quipped – are to attend the University of Alabama to study electrical engineering. The school offered a strong scholarship opportunity – exactly what Baltazar entered high school committed to earning – following his recent selection as a National Merit Finalist, and he said it feels like a perfect fit.

“The campus is beautiful and there are a lot of opportunities there, a lot of internships available, work study, and it’s only four hours away. That’s not exactly cross country ... all of it’s made me excited to go.”

At Destrehan, he is a part of the inaugural Spanish Culture Club, the National Honor Society and the National English Honor Society, the latter he serves as secretary of the Destrehan chapter.

He has also served as a camp counselor for various STEM outreach programs, passing on his knowledge to younger students in the community, as well as volunteering with Laron Byrd’s More than Athletics organization.

All of that is important to Baltazar as these are the kinds of camps and activities that sparked his interest in STEM, robotics and, ultimately, engineering for a potential career path. He wants the next generation and those thereafter to always have those same opportunities.

“I remember attending a (robotics) competition in Kenner in 2017, and I was able to go behind the scenes to talk to the team members and watch the game ... I thought it was great and that I’d like to do this too one day,” he said. “When you have a talent and you have the resources available, I think it’s incumbent to use that for good. As much fun as winning is, building the robot and being part of the team, I also really enjoy helping the next generation.”

He’s served as a mentor with Norco Elementary School’s robotics team, helping to get the team members ready for their competition.

“I received all of these opportunities as a younger person. As a fourth grader, I went to STEM camps hosted by Wildcat Robotics, the same team I’m a part of as captain now,” he said. “I had all of these outreach events I could go to, and it cemented for me that I wanted to do this when I got older. And that’s why I want to mentor.”

EASTER EGG HUNT from 2A

children – a coloring station set up courtesy of the St. Rose Library, face painting, a chalk station, game truck and bubbles. White said there is an effort being made to try and add a train ride to the already stacked list of activities. And, through a partnership with Toys for Tots, there will be a toy giveaway.

“And everything is 100 percent free,” White said.

Last year, White set out to make a difference in her community. The first Easter egg hunt was a part of that, as was a community dance team she assembled. While the dance team was ultimately discontinued, she didn’t want that to derail the overall effort of uplifting St. Rose however she could.

“I’ve felt like we don’t have many giveaways or things for kids to do,” White said. “The goal of the dance team was for more community outreach and to give back ... we don’t have the team this year, but I want to continue what I started.”

She said the excitement of the children at the event last year was all she needed to see to know she wanted

Danielle White

to continue on with the event into the future.

“They were so happy ... each kid left with two, some with three toys, and candy,” White said. “One of the best parts about it was that there were a lot of kids willing to stay after and clean up. They really enjoyed it. We saw so many different kids from the neighborhood and most can even walk to the park since it isn’t far at all.”

White said that the activities will be ongoing once children arrive, but the one event to take place at a specific time will be the egg hunt which begins around 2 p.m.

She added anyone who might like to volunteer or donate – be it monetarily or specific items like plastic eggs, candy to go in the eggs, chips, drinks etc. - may contact her at (985) 703-1812.

ROSALES from 4A

Teacher of the Year, Rosales has felt so much love and support from the community.

“The kind words, congratulations and excitement from former and current students, colleagues, and even my own teachers make me tear up,” she said. “I have had so much support in my life and career that has led me to where I am now. SCPPS has been so good to me. I am going to keep pushing forward to give back to the community that has given so much to me.”

While her recent award means that Rosales is making a huge impact on her students, she says they enrich her lives as well.

“Every day we laugh, enjoy each other and support each other. I need them in my life just like they need me in their lives,” she aid. “I am a seed planter. I get to hang out with young people every day and help them figure out who they are and who they want to be. I tell my students what they are good at, what they have talents in, and what they are

capable of doing with their lives.

“What an impactful, meaningful profession.”

Rosales has spent the last six years at Destrehan High School and called St. Charles Parish Public Schools “the best of the best.” She credited the school system with providing support, training and assistance to its teachers and staff.

“I get to collaborate as a team with my colleagues so we can do our best for our students and keep improving,” she said. “I am supported in trying new initiatives and given opportunities to lead outside the classroom. At DHS, I have the best administrative team who is there to guide me and aid me. My students desire to learn, are prepared and supported

academically, and are offered amazing opportunities to maximize their future opportunities.”

TIP ID - REQUIRED TO ATTEND ANY CLASS

WEBRE from 6A

STAR friends were doing. So I finally took my mom’s advice and joined the education program at Southeastern and absolutely loved it.”

She was drawn to the profession because she loves history and wanted to share her knowledge with young minds.

“I was drawn to middle school because middle schoolers are going through, usually, the worst time of their lives, or their young adult lives, and I wanted to also be there for them and help them navigate themselves,” Webre added.

She enjoys creating those relationships with her students and being there to help them when they’re having a hard time...and also just to have fun with them.

It looks like Webre will remain teaching in St. Charles Parish for a long time.

“I grew up in St. Charles Parish and live here currently, and honestly there’s nowhere else I could imagine teaching,” she said. “And the benefits are pretty

good too.”

MORGAN from 8A

teacher, I love being able to still share a little bit of Disney magic in my classroom with my students.”

She strives every day to bring joy to learning in her classroom and create lifelong memories for her students.

“I love having fun with my students. Playing at recess together, dressing up for silly holidays, just creating lasting memories is so magical,” she said. “I love starting my day off every morning greeting each student as they come into our classroom. Building relationships with my students, their families, and my faculty is so important to me.”

While she said that seeing her students grow as readers is amazing to behold, she really enjoys seeing them grow into kind, loving “big kids” over the years.

“With three kids of my own, we are always out at a ball field, so I try to make an effort to go see my students play the sports they love too,” she said. “Having them know how much I care about and support them all around means a lot to me.”

Morgan credited her mentor, Lorriane Delk, for the leadership and guidance that has helped her become the teacher she is today. She added that the faculty and staff of St. Charles Parish Public Schools has become a family to her.

“I could not imagine teaching anywhere else,” she said. “Having the pleasure of working at the best school, in the best parish, is truly a dream come true!”

March is National Colorectal Cancer Month

Colorectal cancer (commonly called colon cancer) is the third leading cause of cancer-related death for men and women in the U.S.

Due to early detection and treatment, the death rate from colon cancer has been dropping.

Prevent Colon Cancer
Regular Screenings Starting at Age 45*.

- You may need to be screened earlier if you have:
- A close relative diagnosed with colorectal polyps or cancer
 - Inflammatory bowel disease, Crohn’s disease or ulcerative colitis
 - Other genetic or hereditary syndromes such as FAP or Lynch syndrome

Screening tests can actually **STOP COLON CANCER** before it starts, or catch it early when treatments are more likely to be successful.

For more information:
985.493.4008

*Early detection screening guidelines per the American Cancer Society.

WHOLE HOME GENERATOR installed as low as **\$149⁹⁹** per month!

SALES | SERVICE | INSTALLATION

Fast, quality, and reliable services for residential and commercial properties.

We provide a thorough consultation to explain your available options. With that information, you can choose the scope of work that's right for your home or business and for your budget. We offer financing through Synchrony Bank that can include 0% interest. We strive to save you both time and money by combining experience, high-quality parts and equipment, and exceptional service. We will stick with the job until you are satisfied.

Craig's Electrical And Generator Service locally owned and is a Louisiana State Licensed Electrical and Mechanical Contractor that can take care of your electrical and home air conditioning needs. We are offering a 75 dollar AC inspection as well as covering your whole home generator maintenance. Sign up for both of our services and receive a discount.

Free home AC inspection on all AC units with the purchase of whole home generator.

- 1st Annual Maintenance plan (standard)
- 26R Battery
- Up to 36" aluminum stand (Slab is extra)
- Building / Electrical / Plumbing Permits
- Whole home Surge Protector
- Fleet monitoring (we monitor your generator like an alarm company) w/1st year subscription
- 10-year warranty included at no additional cost sign up at Craigselectrical.com

You are receiving \$2704.00 in additional extras that our competitors are not offering in their standard whole home generator packages.

Generac's 2023 Eagle Award Winner as the Top Generac Dealer in the United States.

Destrehan wins 4th straight, walks off to beat E.D. White

Stubbs' RBI double in seventh seals victory for Wildcats against high-ranked opponent

Ryan Arena Editor
ryana@heraldguide.com

Payton Stubbs may not have started Tuesday's game, but he indeed finished it.

Stubbs' RBI double in the bottom of the seventh inning scored Braden Fenerty for the winning run and walk-off victory as Destrehan defeated visiting E.D. White 3-2.

"He came off the bench and delivered when we needed him to ... your name might not be called (to start) every day, but he stayed dialed in and was ready for his opportunity. That's a credit to him."

— Chris Mire on Payton Stubbs' walk-off RBI double. '

Chase Marcotte singled to lead off the inning and Jack Conravey sacrificed him to second with a bunt. Fenerty came on to pinch run. That set up Stubbs to drive a ball to right field and seal the win for the Wildcats.

Destrehan (11-6) was charged up after the game – and for good reason.

It was Destrehan's fourth consecutive victory and a big one at that. E.D. White had Nicholls' committed pitcher Tyler

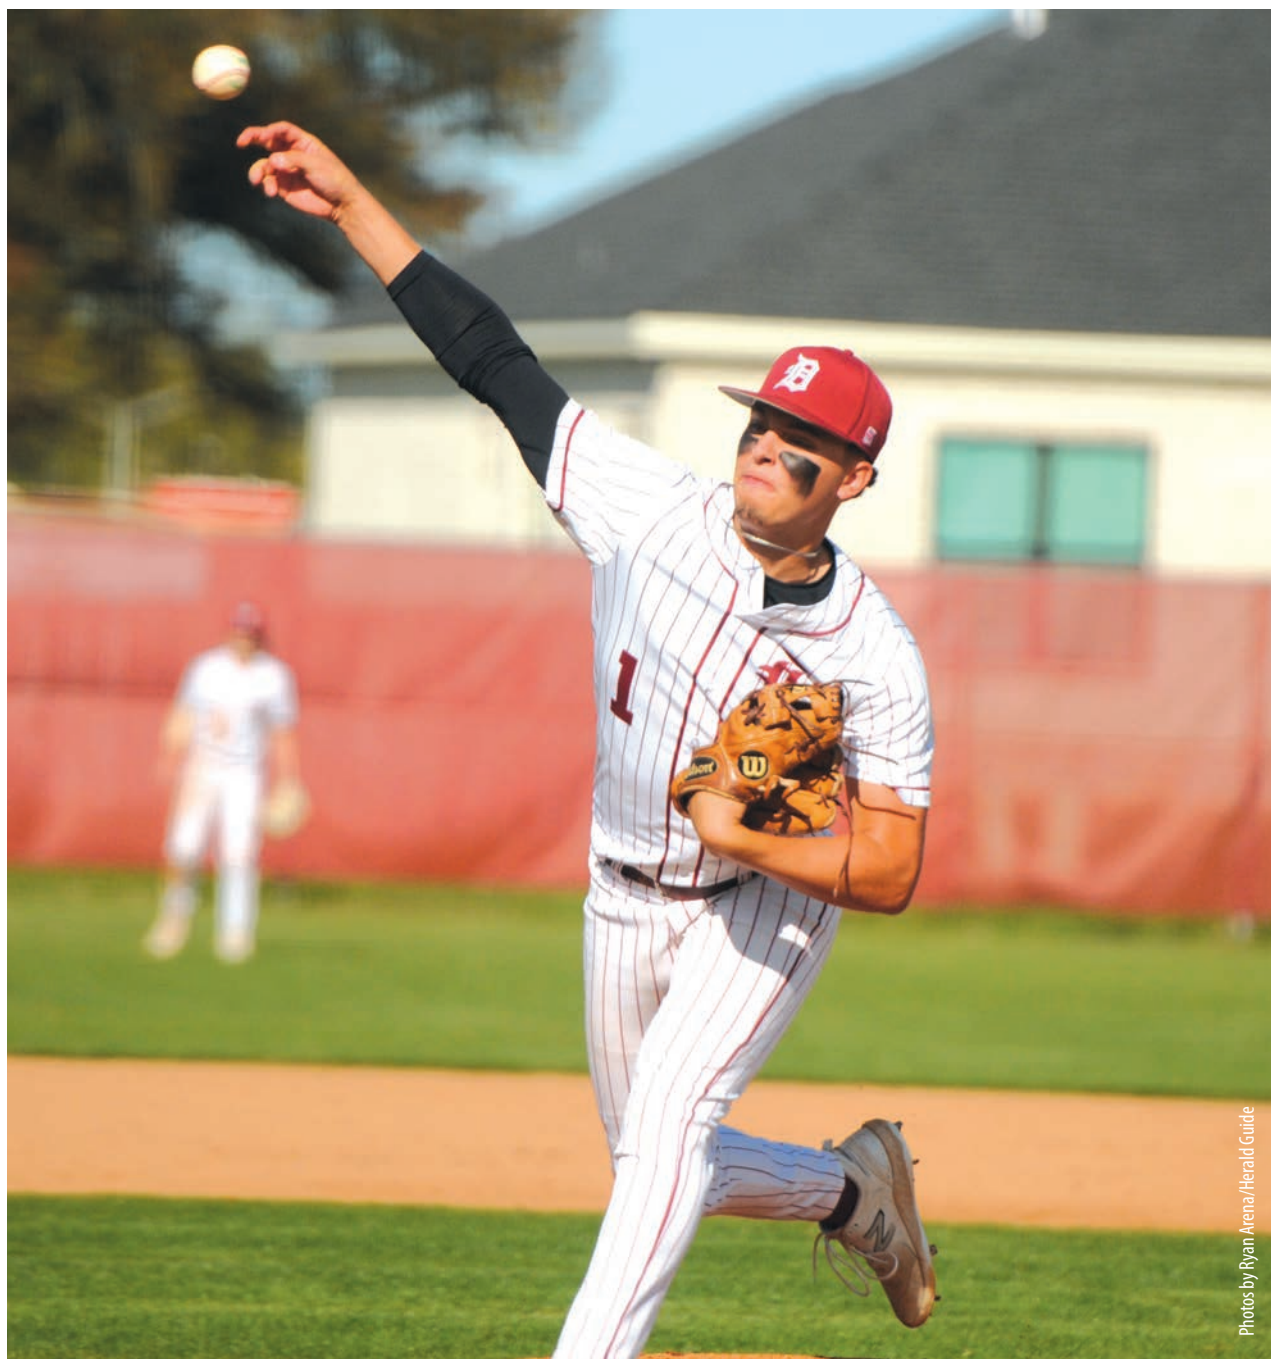

Weimer on the hill and the Cardinals (9-7) rank No. 7 in the Division II select power point rankings.

"It was a great team win today," said Destrehan head coach Chris Mire. "We knew coming in, when we saw who they had throwing, what kind of challenge this was go-

ing to be and what it was going to take to win. We talked about handling the early part of the game and giving ourselves a chance to win in the end."

Mission accomplished. Destrehan scored runs in each of the first and second innings to take a 2-0 lead, getting to Weimer early on via an RBI single by Jayse DeGruy then another RBI by Shane Lee.

"We got off to a great start – I thought we had some really good at-bats

Braden Fenerty of Destrehan delivers during the Wildcats' 3-2 win over E.D. White.

to start the game. We knew (against Weimer) we'd have to play one run at a time and we bunted a

little earlier than we normally would," Mire said.

Weimer settled in from there, retiring the next

eight batters and giving his team a chance to rally.

The Cardinals' Hudson Simoneaux and Grant Barbera each drove in runs to pull the Cardinals into a tie by the late innings.

"We talked in the top of the sixth – we were exactly where we said we wanted to be before the game," Mire said. "We'd kind of squandered a few opportunities to go back ahead again, but we were still putting together good at-bats."

Finally, Stubbs delivered that big hit. He came off the bench for a pair of at-bats, one of them very memorable.

Destrehan's depth has resulted in a number of players rotating in and out of the starting lineup this season. Mire said Stubbs was ready for the

call when it was his time to enter the game.

"He could have been in his feelings about not starting, but he came off the bench and delivered when we needed him to," Mire said. "We feel like we have 12 to 14 guys who can go out and produce. So, your name may not be called every day, but you have to be ready to go when it's time. He stayed focused and dialed in, and was ready for his opportunity. That's a credit to him."

Braden Fenerty started the game – and kept going. The plan was to utilize him as an opener for an inning or two, but he kept getting outs, ultimately lasting five innings.

"He's a senior who's

Tigers sweep titles at Don Raymond Relays, break 3 meet records

Bailey earns MVP for 2nd time

Ryan Arena Editor
ryana@heraldguide.com

Hahnville pulled off a sweep at the Don Raymond Relays, with both the boys and girls teams earning championship honors at the annual event.

Hahnville and Destrehan placed first and second in the boys' meet, respectively, the Tigers edging Destrehan 102-93.

The girls side saw a more pronounced differential as the Lady Tigers distanced themselves from second place East St. John by nearly 90 points, scoring 177 to ESJ's 94 with Destrehan finishing third with 84 points.

"The depth of this track team has been beyond our imagination," said HHS assistant track and field coach Randi Elliott. "There were three meet records that were broken ... there are a lot of cross over athletes between sports. We've got five or six dance team members who are phenominal runners. They all root for each other and are right there cheering and supporting everyone."

Madison Bailey earned meet MVP honors for the second time this year after breaking both school and meet records in the girls 400, winning both that event and the girls 200. She's gotten some attention statewide for her effort – Bailey is up for the Milesplit.com Runner of the Week along with seven other top athletes in the state. Voting for the award closes Saturday.

Bailey posted a time of 25.67 in the 200 and her record 56.39 time in the 400.

Mallory Whitaker also broke school and meet records in the pole vault (11-06), while the girls 4x400 relay squad did the same (4:11.83), both on route to first place finishes.

Among other top Lady Tiger performers, Samantha Lemoine took 1st in the 3200 and 3rd in the 1600. Mallory Whitaker finished 1st in the pole vault. Macy Oertling tied for 2nd in the pole vault and took 3rd in the javelin. Jaimie Perkins was tops in the 100.

A'Kjha Kenner captured top honors in the shot put. The 4x400 team took first place as did the 4x800 squad. Dihlynn Mitchell

earned the crown in the high jump and 3rd in the 300 hurdles. Ty'Eshia Ingram placed second in the high jump. Zaria Washington took third in the discus.

Madison Bailey earned MVP in Thursday's Don Raymond Relays. St left, Mallory Whitaker. Below, Dihlynn Mitchell.

Sarah Waits earned 3rd in the 800. Jonita Hunter took 3rd in the 100. Jazaria Young took 3rd in the javelin.

Top Tiger boys performers included David Powell, who took 1st place in the high jump, 2nd place in the 110 hurdles and also took 3rd place in the 300 hurdles. Ryan Abadie took the top spot in the pole vault. Bobby Williams captured third in the 110 hurdles. Hahnville's 4x800 team took 2nd place. Jordan Moore finished second in the high jump. Eric Brennan was 3rd in the pole vault. Patrick Sander was 3rd in the javelin. Calvin Smith earned 2nd in the shot put. Frederic Downing was 3rd in the discus. Among top Destrehan boys, Phillip Wright took first in the 100. The 4x400 relay team captured first place. Jhase Thomas was 2nd in the 200. Brady Napolitano was third in the 400. Damian Richard was 1st in the long jump and Tai Terrell placed 2nd. Terrell took first in the triple jump and Richard 2nd. Jayce

Mitchell was 2nd in discus.

Among Ladycats, Leah Williams was 2nd in the 100. Ivie Mashia placed 3rd in the 200 and 2nd in the 400. Anastasia Adewumi was 1st in the 800. The 4x800 squad took 2nd place. Bryonna Jackson finished 3rd in the high jump. Kamiah Belvin was 1st in the long jump. Kiyia Jones was 3rd in the shot put.

Moore caps sensational season with All-Star selection

Hahnville's Jordan Moore recently got to show his skills one more time on the basketball court, as the senior took the floor at the LHSBCA All-Star Game, considered the state's most prestigious All-Star game. Moore was the first Hahnville player to earn that honor. The selection came after a season that saw him lead the Tigers back to the postseason and one in which he earned District 7-5A MVP honors. He led the Tigers in scoring but also did it all, posting several monster overall statlines over the course of the season.

March Madness is finally here

Ryan Arena Editor
ryana@heraldguide.com

Ryan Arena

The best sports weekend of the year is here.

At least, that's always been my opinion: the first days of the NCAA basketball tournament are at the pinnacle of my sports fandom and have been since I was young. So much is happening, all at once, especially in round one - which begins today.

As always, for anyone submitting that last minute bracket, I'll share a few thoughts here on how it might go.

UPSET CITY

I'm not sure why, but I see fewer clear upset chances on the board in round one than usual. It might be because of the higher than usual number of automatic bid earners that jumped at-large qualifiers by winning their conference tournaments.

One that would make the cut regardless of year, though, is the College of Charleston over Alabama.

Charleston gave eventual national finalist San Diego State everything it could handle a year ago, leading throughout much of the first half and sticking close throughout the game in the opening round.

But this is more about Alabama, which can light up the scoreboard but has had difficulty stopping anyone this year. Both teams like to get up and down the floor, which is a concern with the Tide's athletes. But both teams also love to shoot the 3 and that's means a lot of potential variance. If Bama gets cold, this could be an early exit, and it's my favorite true upset pick.

New Mexico over Clemson

isn't an upset, but I suppose I'll list it. The former is actually the betting favorite despite being the 11 seed to Clemson's 6. By seeding, it would qualify I guess, plus Virginia just cast all kinds of shade upon the ACC with that play-in performance.

And ... that's kind of it? I'm not in love with the other spots. I think Kentucky is vulnerable, but that 3 seed might save them from a round one exit. Samford is a trendy pick and not at all a bad one.

I will say, if you want to get 'really' wild, No. 14 Akron over No. 3 Creighton isn't a high-likelihood, but hey if it hits you'll be a bracket pool legend. Akron head coach John Groce led his then-school Ohio to a win as a 14 seed over No. 3 Georgetown. He ALSO led Ohio, as a 14 seed again, to upset wins over No. 3 Michigan and No. 12 South Florida. Wins as a 14th seed are extremely rare, and he accounts for three of them. Will this week see a 4th?

REGION SLEEPERS

The East is stupid. Somehow, so many teams that seemingly everyone loved as Final Four contenders are crammed in. Auburn wouldn't be a true 'sleeper' anywhere else, but in a region with UConn, they kind of qualify.

In the South, Nebraska could surprise for a couple of rounds. They played ball at a very, very high level late in the season.

New Mexico and Oregon are also more dangerous than their seedings, and I think could each roll for two or three rounds.

Final Four: Auburn, Houston, UNC, Purdue.

National championship: Auburn over Purdue.

WILDCATS from 1B

been having some really good outings for us," said Mire. "We've wanted to use him as an opener to set the tone early ... we tried him in that role earlier in the season and he had a tough outing. We liked him in that role, though, and wanted to give him another opportunity. He took advantage and he kept getting guys out."

Conravey, meanwhile, was called upon as the third pitcher of the day following Fenerty and Alex Schiff.

"(Schiff's) our Mr. Reliable, but we'd been using him a lot over the weekend and knew he wasn't going to have much left in the tank on what was supposed to be his off day. (Conravey) came in and did a great job, he kept putting up zeros and gave us a chance to win the game."

Fenerty finished with four strikeouts and a run allowed

on five hits over five innings. Conravey earned the win, going 3.1 shutout innings with one hit allowed and four strikeouts.

Marcotte finished his day with a team-high three hits.

Destrehan began rounding into form last year about this time, and the Wildcats have been stacking up wins of late. A 4-2 win over Fontainebleau, a 9-6 win over South Terrebonne and a 4-2 win over Holy Cross have moved Destrehan to an 11-6 overall mark this season.

"I think this is the time of year we finally get to come home and play - we play a lot of road games to start off - and we start best understanding everyone's roles," Mire said. "It's always big for us to win these home games and get going before we start district."

Library gears up for Alice in Wonderland meet and greet

Activities also include scavenger hunt, indoor croquet

Jonathan Menard Publisher
jonathanm@heraldguide.com

Residents will soon be able to meet and take photos with Alice and the Mad Hatter from Alice in Wonderland fame when the pair visits the East Regional Library in Destrehan on Saturday, April 13 from 11 a.m. until noon.

But that's not all that's taking place that day. Those in attendance will be able to "Pin the Grin" on the Cheshire Cat, take part in an Alice in Wonderland-themed scavenger hunt, play indoor croquet and color in a coloring station.

These activities are part of Page Meets Stage, which is a partnership between the St. Charles Parish Library and the Lafon Performing Arts Center. The goal of the program is to merge experiences with literature or the library with live art performances at the Lafon Arts Center.

The Lafon Arts Center will host Alice... Dreaming of Wonderland on Friday, April 19.

While the character meet and greet is geared towards children, the library also will have a book discussion for adults in collaboration with the Alice...Dreaming of Wonderland performance.

"For these book discussion programs, participants get a ticket to the show and a copy of a related book," Maria Bilello, adult programing and outreach librarian, said. "We will meet to discuss the book on April 25 at the East Regional Library in Destrehan after watching the show at the Lafon Center on April 19."

She added that registration for the adult book discussion typically fills up quickly. Registration opens on March 28 and you

can register online at [www.myscpl.org](#).

There is no registration required for the character meet and greet on April 13.

"Alice and the Mad Hatter will be at the library from 11 am - noon, so we encourage people to come within that time frame to make sure they get their photos," Bilello added. "Participants will pose for pictures with Alice and the Mad Hatter and interact with them in character. We encourage everyone to bring

their own camera."

The Alice...Dreaming of Wonderland show is not a traditional Alice in Wonderland performance since acrobats are the stars of that show. Bilello said the characters at the meet and greet will be the traditional Alice and the Mad Hatter that resemble the animated characters.

New Louisiana DAR Chapter forms in River Parishes

The National Society Daughters of the American Revolution (DAR) is honored to announce the formation of the new German Coast Chapter to serve the River Parish area. The name of this new chapter honors the families and their descendants who settled on the banks of the Mississippi River during Louisiana's early history, including what is now St. Charles, St. John the Baptist, and St. James parishes.

Louisiana State Regent, Cheryl Whitlow Gott administered the oath of office for the new chapter's officers during a reception held at the Ormond Plantation. The chapter officers are: Sabrina Schexnayder Phillips, Regent; Charlotte Larson Nagy, Vice Regent; Freddie Terral Seab, Chaplain; Cherie Bergeron Thibodeaux, Recording Secretary; Nicole Moore Zeringue, Treasurer; and Kim Ayme Bordelon, Registrar.

The DAR is a women's service organization whose members can trace their lineage to an individual who contributed to securing American independence during the Revolutionary War. Many of the organizing members of The German Coast Chapter are descended from Patriots who lived in the German Coast and served under General Bernardo de Galvez.

The members of this chapter look

forward to bringing new attention and recognition to these gallant soldiers who helped to win this country's war of American independence and to making an impact on their communities with their volunteer service in the areas of

Organizing members of the German Coast Chapter from left: Deirdre Schexnayder Fauchaux; Cherie Bergeron Thibodeaux; Kellie Ory Gagliano; Lynette Barbe Williams; State Regent Cheryl Whitlow Gott; Sabrina Schexnayder Phillips; Charlotte Larson Nagy; Paige Hokkanen Williams; Kim Ayme Bordelon; Nicole Moore Zeringue; and Lynne Hannan Moore.

Education, Historical Preservation, and Patriotism.

Today's DAR is dynamic and diverse, with over 185,000 members in 3,000 chapters in the United States and abroad. DAR members annually provide millions of hours of volunteer service to their local communities across the country and world. DAR chapters participate in projects to promote

historic preservation, education, and patriotism. Over one million members have joined the organization since its founding in 1890.

If you would like more information about this topic, please contact Charlotte Nagy at germancoastchpt@gmail.com.

Treasures in Heaven

Store all your treasures in Heaven where thieves cannot take it away from you. While your heart is there your treasures could be also. Bring your treasures, tithes & offerings in the store House of the Lord. The Lord will bless you here & also in Heaven. All we own down here belongs to our Lord, without His help we would have nothing. Thank Him every day for all He supplies us with. We lack nothing, for God knows what we have need of. But seek you first the Kingdom of God & all His righteousness & all these things shall be added unto you. Peace be unto you in the Name of Jesus. Amen

St. Charles Parish is interested in procuring the services of 3 qualified caterers to provide full-service **catering services** at the Edward A. Dufresne Community Center, located at 274 Judge Edward Dufresne Parkway, Luling, Louisiana. Selection as an authorized caterer is non-exclusive and only indicates that the caterer will be placed on the approved in-house catering list at the Edward A. Dufresne Community Center.

The selection of the caterers will involve a two-tiered evaluation process. Under the Tier 1 evaluation, all responses to this RFQ will be evaluated according to the criteria and corresponding point system in the RFQ package. Based on the results of the Tier 1 evaluation, finalists will be selected and invited to complete the Tier 2 evaluation which will involve interview(s) based on evaluation criteria that will be provided at the time of the invitation. The award will be made to the most qualified respondents whose qualifications statements and interviews are deemed most advantageous to St. Charles Parish and all factors are considered.

Interested parties are invited to secure a RFQ package from Anedra Coleman, Assistant Director-St. Charles Parish Parks and Recreation 274 Judge Edward A. Dufresne Parkway, Luling, LA 70070. Phone 985-783-5090. The RFQ package may also be obtained by emailing a request to acoleman@stcharlesgov.net

Responses must be hand-delivered or mailed to Anedra Coleman, Assistant Director-St. Charles Parish Parks and Recreation at the Edward A. Dufresne Community Center 274 Judge Edward A. Dufresne Parkway, Luling, LA 70070 in such a manner that it is received no later than **10:00 A.M., April 19, 2024**.

St. Charles Parish Government is an Equal Opportunity Employer. We encourage all small and minority-owned firms and women's business enterprises to apply. Persons requiring reasonable accommodation to respond to this solicitation are requested to contact Anedra Coleman at 985-783-5090 to discuss their particular needs.

SECTION 00010

ADVERTISEMENT FOR BIDS

The Parish of St. Charles, hereby advertises bids for construction of St. Charles Parish Parks and Recreation Bethune Park Renovations as follows:

Owner: **St. Charles Parish**

Project Title: St. Charles Parish Parks and Recreation Bethune Park Renovations

Project No.: RECBP523

Principal Work Location: 301 Bethune Street, Norco, LA 70079

Description of Basic Work: Park Renovations

Bids: Separate sealed Bids will be received by the ST. CHARLES PARISH COUNCIL RECORDS OFFICE, Parish of St. Charles, 15045 River Road, Courthouse 3rd Floor, Hahnville, Louisiana, 70057, either by registered or certified mail with return receipt requested, or hand delivered, or electronically submitted at www.centralbidding.com, **no later than 2:00 p.m. local time on April 16, 2024** Promptly thereafter, the bids will be publicly opened and read aloud in the Council Chambers of the St. Charles Parish Court House. The Owner reserves the right to reject any and all Bids in accordance with the Public Bid Law, and to disregard all nonconforming, nonresponsive, unbalanced or conditional Bids.

Bidding Documents: The Bidding Documents (Contract Documents, Specifications and Drawings) are available to Contractors who are properly licensed in Louisiana or to bona fide suppliers of materials and equipment for purchase and/or review at the office of the Architect for the contract, Murray Architects, Inc., 13760 River Road, Destrehan, LA 70047.

A payment of \$ 50.00 in cash or check payable to the Architect will be required for each complete set of the Bidding Documents. This payment is refundable as provided in the La.R.S.38:2212(D).

Pre-Bid Conference: A Pre-Bid Conference to discuss the scope of the project and the requirements of the Bidding and Contract Documents will be held on **April 9, 2024 at 10:00 a.m.** the St. Charles Parish Department of Parks and Recreation, **274 Judge Edward Dufresne Parkway, Luling, Louisiana**. Attendance of the Pre-Bid Conference is **Mandatory**.

Each bidder must deposit with his/her bid, security in the amount equal to five percent (5%) of the total bid in the form of a certified check, cashier's check or bid bond. If the bid is submitted electronically and a certified or cashier's check is used for bid bond, then the actual check shall be delivered to the ST. CHARLES PARISH COUNCIL RECORDS OFFICE, Parish of St. Charles, 15045 River Road, Courthouse 3rd Floor, Hahnville, Louisiana, 70057. Electronic bids shall contain all the same documents that are required in a physically delivered bid. The outside of the bid envelope must contain the submitting firm's name, Louisiana Contractors License Number, the St. Charles Parish Project Number, and the St. Charles Parish Project Title.

St. Charles Parish is an Equal Opportunity Employer. We encourage all small and minority-owned firms and women's business enterprises to participate in this solicitation.

Any person with disabilities requiring special accommodations must contact the St. Charles Parish Council Office at 985-783-5000 no later than seven (7) days prior to bid opening.

Public Notice

PUBLIC NOTICE
REMOVAL OF WEEDS, GRASS & OTHER NOXIOUS MATTER
If the following violations are not rectified within (5) days of this published notice, the parish will proceed in bringing the properties listed in compliance with Chapter 16, Article III Sec. 16-24 through Sec. 16-28. (As amended). The fee for performing these services shall be at a rate of 0.037 per square foot of the lot cleaned. The contractor's fee for performing these services shall be at the rate of 0.029 per square foot of the lot cleaned. In the event a mini-clean up is required prior to performing the above services, a fee of \$58.61 per mini clean up plus actual disposal fees will be assessed, not to exceed then (10) mini-cleanups per property in violation. On property where trash and/or debris accumulation is such that it requires heavy equipment, bulldozer, front-end loaders, etc. a fee of forty-three dollars and eighty six cents (\$43.96) per cubic yard will be assessed. An administration fee of \$36.63 may be assessed on each invoice. The fees in this section shall be increased or decreased on February first of each year by a change in CIP applicable to the US cities average group, all urban consumers, all items published by the US Department of Labor, Bureau of Labor Statistics, for the preceding twelve-month period ending each November. The change shall become effective beginning with the period ending November 30, 2000. The department of finance shall notify the department of planning and zoning in writing annually of the revised fees.

St. Charles Parish Hospital

SECTION 000011 - ADVERTISEMENT FOR BID

Project Title: St. Charles Parish Hospital Intensive Outpatient Program (IOP)

Owner: St. Charles Parish Hospital, Managed by Ochsner Health

Description: New construction of an Intensive Outpatient Clinic located at St. Charles Parish Hospital.

Location: 144 Hall Street, Luling, LA 70070

Sealed bids will be received until the hour of **2:00 PM CST, on April 11, 2024**, by St. Charles Parish Hospital District #1 in the Pelican Room, 1057 Paul Maillard Rd., Luling, LA 70070 and all bids will be publicly opened and read.

St. Charles Parish Hospital Intensive Outpatient Program – IOP

To Obtain Bidding Documents:

Licensed General Contractors or their agent may obtain one (1) set of the complete bidding documents from Multistudio, 3308A Magazine Street, New Orleans, LA 70115. Contractors shall call ahead at (504) 681-6303 to coordinate pick-up.

Alternately, Bidding documents may be accessed online through a uniform and secure electronic interactive system. WWW.CENTRALBIDDING.COM

No bidding documents will be issued later than 24 hours prior to the date and time set for the bid opening. Late bids will not be accepted.

Bids received in violation of LSA-R.S. 37:2163 (failure to provide contractor's license number on the bid envelope) shall be stamped "Rejected", returned unopened to the bidder, and shall not be read aloud.

Contractors are provided the option to submit bid for public contracts through a uniform and secure electronic interactive system: WWW.CENTRALBIDDING.COM Comply with electronic bidding as stated in the Louisiana Bid Law 2212.1.

Sealed bids must have project name boldly displayed on outside of envelope.

Each bid must be accompanied by certified check, cashier's check or bid bond made payable to St. Charles Parish Hospital and acceptable to the owner in the amount equal to five (5%) of the total amount bid, including all alternates, and payable without condition to the owner as guarantee that the bidder, if awarded the contract, will promptly execute a contract in accordance with his/her proposal and all terms and conditions of the contract documents. A bid bond shall comply with LSA-R.S. 38:2218(B) and 38:2219, as applicable.

The owner reserves the right to reject any and all bids, waive formalities and to reject non-conforming, non-responsive, unbalanced or conditional bids or bids submitted by non-responsible parties pursuant to the law. **Bids which deviate from the project plan and specifications will not be considered.**

A Mandatory Pre-Bid Conference will be held on 03/19/2024 at 2:00 PM CST located in the Pelican Room, 1057 Paul Maillard Rd., Luling, LA 70070. Walk through of area will follow. Please note that attendees arriving later than **2:05 PM** will not be granted admittance to the meeting. Bids received from Contractors who did not attend the mandatory pre-bid conference will not be considered.

Published in the Bids and Proposal Section of the Herald Guide Newspaper on 03/07/24, 03/14/24 and 03/21/24.

Public Notice

The Technology Committee met on March 15, 2024 in the Dufresne Conference Room of the Central Office at 9:00 a.m.
Board Members present were Karen Boudreaux, Ray Gregson (by phone) and Ellis Alexander.
Others present included Superintendent Dr. Ken Oertling, Director of Information Technology Services Stephanie Steib, Administrator of Maintenance Kevin Barney, Safety, Security and Emergency Preparedness Coordinator Dustin Vinet, Project Manager Andy Mire, Kevin Mitchell of Audio Enhancement, and Dianne LeBlanc and Brandon Hairrell of Trafera.
The meeting was called to order by Technology Committee Chair Karen Boudreaux at 9:00am.
Stephanie Steib gave an overview of the use of audio enhancing devices in the District, then turned it over to Kevin Mitchell who presented the multiple solutions offered by Audio Enhancement once classroom audio is in place. Board and staff members asked questions for clarity.
Mrs. Boudreaux motioned to adjourn the meeting at 10:30 a.m.
