III. Closing Items

A. Standing Committee Report

No committee reports were given.

B. Information Items

C. Superintendent's Report

1. Hurricane Preparedness

Hurricane season extends through November. The state and parish emergency operations centers have distributed information about hurricane preparedness and response. Over the years, SCPPS has worked closely with our parish emergency operations center to ensure the school system has a comprehensive plan for preparing for and responding to hurricane events. Please be prepared throughout this season and make a plan in case one of these threats affects our area.

2. Safety and Security Update

As the new school year approaches, St. Charles Parish Public Schools is committed to ensuring the safety and security of students and staff. Our comprehensive Safe Schools program, developed in collaboration with the St. Charles Parish Sheriff's Office, the Emergency Operations Center, St. Charles Parish Hospital, and local first responders, is continually evaluated with enhancements recommended

as needed. Some current measures include:

- Additional resource officers and enhanced camera systems across all school sites.
- Protective window film, funded by a Louisiana Center for Safe Schools grant, for added security.
- Digital school mapping software available to First Responding agencies and project managers.
- Raptor SmartPass Digital Hall Pass, allowing students to request passes from their Chromebooks, enabling administrators and key personnel to monitor student movement and total time out of class, and
- An expanded Raptor Emergency Management Suite, which now incorporates wearable panic buttons for staff, an emergency app on phones to have direct communication with emergency responders, and a full-screen takeover feature with direct instructions during active emergencies to allow all to respond swiftly. This integrated platform will manage emergencies from preparation through response to reunification, giving responders immediate access to critical tools like cameras, electronic access, and student accountability. These proactive measures highlight the St. Charles Parish Public School Board's dedication to a secure learning environment.

3. Youth Rally
The annual Youth Rally Backpack Giveaway for St. Charles Parish students and parents will take place on Saturday, July 25, 2026, from 8:00 a.m. – 11:00 a.m. in the Jerusalem Shriners Center parking lot, located at 1940 Ormond Blvd. in Destrehan. The rally is sponsored by St. Charles Parish Sheriff's Office, St. Charles Parish Department of Community Services, A Safe Place of St. Charles, Blessed To Be A Blessing, United Way of St. Charles, and St. Charles Parish Public Schools. This year's event will be a drive-through school-supply giveaway for the first 500 St. Charles Parish residents. This is a great kick-off to the school year! Hope to see you there.

4. Free and Reduced Lunch
The 2026-2027 school year marks the end of free breakfast and lunch meals being automatically available for all St. Charles Parish Public Schools as the district's federal Community Eligibility Provision (CEP) qualification period has come to an end. SCPPS will return to the traditional Free and Reduced Meal Application process for those who qualify. To apply for free and reduced-priced meals, visit www.MySchoolApps.com. If you do not qualify for free and reduced-priced meals, our cafeteria serves affordable, well-balanced, nourishing meals that meet federal guidelines to promote increased consumption of whole grains, fruits, and vegetables. Should you have any questions or concerns, please do not hesitate to contact the Child Nutrition Department at (985) 785-3179.

5. 2026- 27 School Year
The 2026-2027 School Year is quickly approaching, and we're excited to welcome our students and families back from what I hope was a restful summer break. To ensure a smooth transition to the start of the new school year, we will once again conduct staggered starts for all students. Kindergarten through 12th-grade students with a last name beginning with A through K will attend their first day of school on Monday, August 10th and will remain home on Tuesday, August 11th. Kindergarten through 12th-grade students with a last name beginning with L through Z will stay home on August 10th and will attend school for their first day on August 11th. All kindergarten through 12th-grade students will attend school daily beginning on Wednesday, August 12th. Pre-Kindergarten students will begin their staggered start on August 17th or 18th depending upon their last name. Schools will share additional information regarding the return to school.

6. Back-to-School Communication
Before school reopens, a Back-to-School brochure will be mailed to all St. Charles Parish residents. Please check your mailbox for the brochure next week. Students will once again receive an InBox, which contains important district and school documents for the year. Let's take a sneak peek at this year's resource.

I want to thank Shell Norco for its continued funding support for the InBox. Please review the information in the InBox and complete any back-to-school paperwork before the deadline. Also, visit the district and school websites and social media accounts for important back-to-school information. Information is being updated regularly with important information for the start of the new school year.

REQUEST FOR QUALIFICATIONS FOR FLIGHT SCHOOL OPERATOR AT PORT OF SOUTH LOUISIANA EXECUTIVE REGIONAL AIRPORT (APS)

Port of South Louisiana (POSL) is the owner and operator of POSL Executive Regional Airport (APS). POSL is aware of the shortage of professional pilots and aircraft mechanics, and with a focus on workforce development, it is POSL’s goal to provide students and residents of the River Paish Region with a pathway to meet the demands of the industry. Currently, the Airport offers some independent flight instruction.

The operator shall provide quality Federal Aviation Regulation (“FAR”) Part 61 and/or Part 141 flight instruction at APS, either as a primary or FAA-approved satellite base of operations. A coordinated program of instruction by the operator, at a minimum, shall result in completion of the Private Pilot, Instrument, Commercial, and Flight Instructor courses under FAR Part 61 and FAR Part 141. It is expected that the syllabi for both programs employed in the training by the operator to include scenario-based and incorporate human factors training throughout the course of instruction. The operator may setup and operate, within a negotiated timeframe, a FAA-approved testing center for FAA written knowledge tests, including at a minimum, for Private Pilot, Instrument, Commercial, Flight Instructor, Airframe and Powerplant certificates. Aircraft utilized by the operator may be either owned by the operator or under a leaseback/marketing agreement with another owner. POSL has potential facilities available as well as open real estate for development. Operator would enter appropriate real estate (lease) and/or operating agreements as required by FAA, State and/or local laws or regulations.

POSL and the successful Proposer shall enter into negotiations for a respective operating and/or lease agreement.

Sealed Qualifying Questionnaires will be accepted until 10:00 am, August 31, 2026 at 1720 Highway 44, Reserve, Louisiana. Please mark all envelopes “Sealed Application – ‘Flight School’ – Attention: Chanse Watson, Airport Director. Applications may also be submitted electronically at www.centralbidding.com.

Qualifying Questionnaires may be picked up at the Port of South Louisiana’s Administration Building, 1720 Highway 44, Reserve, Louisiana 70084 or accessed at www.centralbidding.com.

The Port reserves the right to accept or reject any questionnaires, whole or in part and waive any formalities.

If you have any questions about the proposal process, or for technical questions and/or to schedule an on-site visit, please contact Mr. Chanse Watson at (985) 536-1999, or cwatson@portsl.com.
