Hahnville teen remembered as shining light for friends, family

Casey LeGaux laughed to herself as she recalled some of the quirks that made her son Jalen who he was.

“He was a giant teddy bear,” LeGaux said. “He made everyone laugh and he was just so caring for us. He had a big personality. He was aggravating, but in such a funny way.”

LeGaux has suffered over the past several weeks as she endures what no mother ever should. On Aug. 10, Jalen was shot inside his Hahnville home. A 16-year-old boy who was close with Jalen was arrested and charged with second-degree murder. Because the suspect is a juvenile, authorities have not released his name. The

tragic incident took place just as Jalen was preparing to begin his freshman year at Hahnville High School.

“I’m just taking it day by day,” said LeGaux as to how she is dealing with his loss. “I don’t know how to explain how I feel. But just being around genuine people, talking about different things, getting my mind together ... all of his friends, his teachers, the school, just people from all over have been so supportive. I was shocked at how many people came together to help me out. And it’s been a great help.”

St. Charles Parish voters to decide recreation, Council on Aging millages Nov. 3

Ryan Arena Editor
ryana@heraldguide.com

St. Charles Parish voters will decide the future of two dedicated property taxes on Nov. 3, with propositions on the ballot to continue funding for the parish’s Parks and Recreation Department and Council on Aging.

If approved by voters, the Parks and Recreation proposition would authorize a 2.68-mill property tax through 2037, while the Council on Aging proposition would consolidate two existing millages totaling 1.8 mills into a single 1.25-mill tax.

Rathborne Park sits on Lakewood Drive in Luling. Parish residents will vote Nov 3 on millages for the Parks and Recreation Department and the Council on Aging.

Gabrielle Rankin, a spokesperson for the parish, said the current Parks and Recreation millage was originally adopted at 3.02 mills in 2016 and has

St. Charles Parish schools dedicates memorial to 43 Trailblazers

Ryan Arena Editor
ryana@heraldguide.com

Last week, St. Charles Parish Public Schools officially dedicated a newly constructed memorial honoring the 1965 desegregation of the school system and recognizing the legacy of the 43 students who first volunteered to attend schools that previously only enrolled white students.

The school district commissioned artist and sculptor Derrick Monk to create the memorial, which is located at the St. Charles Parish Public Schools' central office in Luling.

In 2022, the school system debuted the documentary Trailblazers, which highlighted the experiences of African-American students who volunteered to attend previously all-white schools in St. Charles Parish during desegregation in 1965.

Those students volunteered to be the first to integrate in the midst of the civil rights movement.

Ulysses Frontha, a longtime Destrehan High School teacher and one of the 43 original trailblazers as a student, approached School Board Member Ellis Alexander several years ago with the idea of recognizing the first

African-American students who volunteered to attend previously all-white schools in St. Charles Parish.

“It started as an idea, and now we have a monument,” said Frontha at last week’s dedication ceremony. “Kids that come along after us are going to know that something happened in St. Charles Parish that was phenomenal. It wasn’t just the idea of us leaving Carver and Bethune and going to Destrehan and Hahnville.”

Educating local youth about that time in history was the inspiration.

St. Charles Parish deputy, girlfriend stabbed in home

Ryan Arena Editor
ryana@heraldguide.com

A St. Charles Parish corrections officer and his girlfriend were stabbed last week by the officer’s brother, according to police.

The victims were attacked inside of the LaPlace home of the officer, 21-year-old Aden Manson, according to the St. John the Baptist Parish Sheriff’s Office.

The attack appeared to be unprovoked, according to the Sheriff’s Office.

Anthony Manson Jr., 31, was arrested and charged with aggravated second-degree battery, a felony. According to the Sheriff’s Office, Anthony Manson lived in the house with Aden Manson and other family members.

Aden Manson and his girlfriend, 20, were transported to University Medical Center in New Orleans and are expected to recover. The victims were able to alert three other adult relatives who were inside the house at the time. They were not injured, according to the Sheriff’s Office.

The couple reported to police they were asleep in bed when Anthony Manson kicked open the bedroom door and attacked

them with the knife, stabbing them repeatedly. They were able to escape and ran outside of the house.

St. John officers were alerted to the attack at approximately 1:30 a.m. on the morning of Sept. 24. Deputies responded to the 100 block of Devon Drive in reference to a stabbing. When they arrived on scene, several people were located outside the house; two of whom were bleeding from stab wounds.

Deputies were informed that the suspect was inside the residence armed with a knife. While two deputies rendered first aid to the victims including

JALEN from 1A

about her son’s life brings LeGaux joy – she is very proud of who he was.

Jalen was a strong student, most recently at R.K. Smith Middle School.

“His teachers would tell me how caring he was for others, and how helpful he was,” LeGaux said.

And even beyond that, he was maturing.

“Like any boy, he’d get in trouble for dumb stuff, childish stuff,” said LeGaux. “But at R.K. Smith, he definitely had some teachers he looked up to. And Coach Juvon (Gales), the football coach

there, he definitely had a big impact on Jalen ... Jalen was always excited to go see his friends at school.”

They were excited to see him as well. One thing that’s brought LeGaux comfort following Jalen’s death has been hearing from many of his friends about their relationship with him.

“A lot of them said that the thing they missed the most about him is how much he used to make them laugh,” LeGaux said. “And he was helpful to them. If they were going through something, he’d talk them through it. A lot of them have

said he was there for them when they were going through something. And for me, it’s just like, wow, he really made an impact on a lot of their lives.”

It made LeGaux think of some of her anxieties as a mother about Jalen first going off to school.

“I used to always be worried about him not making friends or getting bullied. Yeah, right,” LeGaux said. “Complete opposite. He wasn’t shy at all. He was always outgoing, even more as he got older.”

Jalen had a number of hobbies. One he really loved was football. Jalen was part of Hahnville’s freshman team, where he played on the offensive line.

At home, he was very protective of his mother and sisters.

“Overprotective, even,” said LeGaux.

“He was the man of the house. He’d mess with his sisters. He’d walk around and tell them or tell me, ‘Say I’m the GOAT (greatest of all time).’ ‘Mama, say I’m the GOAT.’”

Of course, sometimes she’d call him by another name.

“I’d call him Julian. When I’d call him that, he’d know I was serious,” LeGaux said. “He’d say, ‘Yes, Mom.’”

More than anything, Jalen was a loving and caring person, LeGaux said.

“One thing about my son, he always had a smile on his face,” LeGaux said.

since been rolled back to 2.68 mills.

“For an average St. Charles Parish home valued at \$253,000 with a \$75,000 homestead exemption, the proposed Parks and Recreation millage would cost approximately \$47.40 per year, while the proposed Council on Aging millage would cost approximately \$22.25 per year,” Rankin said.

Revenue from the Parks and Recreation millage is used for the construction, improvement, maintenance and operation of recreation facilities and programs for children, adults and seniors in St. Charles Parish, Rankin said.

“The parish’s recreation system currently includes 48 parks, 53 baseball fields, 16 soccer fields, 16 multipurpose fields, two spray parks, five boat launch locations and more than 19 miles of maintained trails and levee paths,” Rankin said.

She said program registrations have increased 44 percent since 2016.

Voters will also consider a change to the way dedicated property tax revenue for the parish’s Council on Aging is structured.

The Council on Aging is currently supported by two separate millages totaling 1.8 mills. The proposition would replace those taxes with one dedicated 1.25-mill property tax through 2037.

The revenue would fund the construction, improvement, maintenance and operation of facilities and programs serving residents age 60 and older.

Rankin said more than 1,500 local seniors currently use Council on Aging resources. The organization provides approximately 82,000 home-delivered meals and nearly 15,000 transportation trips annually, in addition to daily recreation opportunities at its East Bank and West Bank facilities.

The parish will hold two informational meetings about the millage propositions before the election. The first will be held Oct. 7, at 6 p.m. at the Edward A. Dufresne Community Center. A second meeting will be held Oct. 14, at 6 p.m. at the St. Charles Parish East Regional Library.

Election Day is Nov. 3, with polls open from 6 a.m. to 8 p.m.

Early voting will take place Oct. 20-27, excluding Sunday, Oct. 25, from 8:30 a.m. to 6 p.m. St. Charles Parish voters may vote early at the St. Charles Parish Courthouse in Hahnville or the Alan Arterbury Building in New Sarpy.

Residents can review their sample ballots through the Louisiana Voter Portal or the free GeauxVote mobile app.

WITCH WALK from 1A

The idea came from Carolyn Boyd, a River Road Historical Society board member and member of the St. Charles Women’s Club, after she saw the local interest surrounding a Witches’ Walk at Houmas House.

“She thought a similar experience closer to home would appeal to women in St. Charles Parish and the surrounding River Parishes,” Monica said. “It’s an opportunity for the community to gather and experience Destrehan Plantation in a new way.”

As part of a treasure hunt, guests can search at their own pace through the grounds, dependency buildings, museums and Plantation Store for hidden surprises. Among the treasures will be miniature crystal balls, lavender sachets, natural stones, key necklaces and other witch-inspired keepsakes. Guests will be able to keep what they find.

“The treasure hunt is a little lagniappe for our guests,” Monica said.

History will also play a role in the evening. During the guided tour, guests will hear stories of mourning rooted in documented history while also getting an opportunity to explore the paranormal side of the plantation.

“Throughout the tour, we’ll distinguish documented history from paranormal interpretation,” Monica said.

The plantation itself provides a distinctive backdrop for the event, Monica said.

“Destrehan Plantation’s historic home, dependency buildings, museums, and live oak trees give the Witches’ Walk a setting shaped by centuries of history,” she said. “Guests will experience the site in a new way through a treasure hunt, a guided tour, and a witches’ dance and procession to the Mule Barn for dinner followed by a costume contest. Together, those activities make the evening distinctly Destrehan.”

Guests will also gather for a group dance to Peter Fox’s “Schüttel deinen Speck” before joining the Witches’ Walk procession to the Mule Barn.

Monica said organizers drew inspiration for the dance from Wolfshäger Hexenbrut, a group from Wolfshagen, Germany, whose 2016 dance video reached audiences around the world.

At the Mule Barn, guests will sit down for a themed buffet catered by 360 Catering Company. The menu will include Cauldron Chicken, Potion Pork, Spellbound Scalloped Potatoes, Harvest Moon Grilled Vegetables, Coven’s Hearth-Baked Rolls and Bloody Cheesecake. A beverage station and premium cash bar will also be available.

There will not be live music, but organizers will play a curated playlist throughout the event, including background music during dinner.

A costume contest will feature three categories: Most Enchanted Costume, Best Hat and Best Broom. The evening will conclude with a closing toast.

Guests will also have the option of visiting Mystic Holly for tarot readings, dream interpretation, mediumship and crystal ball readings for an additional \$20 to \$55.

Organizers are expecting about 75 guests for the inaugural event with attendance capped at 150.

“That gives us room to welcome more guests while keeping the experience comfortable and enjoyable,” she said.

TRAILBLAZERS from 2A

conversation was that a lot of the kids think that everything’s just always been exactly how it is,” Frontha said.

Alexander requested a school system committee to be formed to develop plans for a celebration, but the celebration was delayed by several years due to COVID-19 and Hurricane Ida. The committee determined a video was needed to tell the stories of these students – a documentary which current and future students and the general public would be able to view and learn from regarding the school system’s past and how it has led the system to where it is today.

The documentary, produced by Mason Dauphin, was nominated for a regional Emmy by the National Academy of Television Arts & Sciences.

In 1965, St. Charles Parish Public Schools became one of the first five school systems in Louisiana to voluntarily begin desegregation through the Freedom of Choice Plan. This plan allowed African-American students to transfer to previously all-white schools within the parish.

They inspired others to follow in their footsteps. Approximately 43 students throughout the parish transferred schools in the middle of the 1965-1966 school year, and that number more than doubled to 112 students in the following school year.

“Part of the history of St. Charles Public Schools needed to be remembered,” said Dr. Ken Oertling, Superintendent of St. Charles Parish Public Schools. “People’s stories needed to be heard ... the challenges they faced are part of a legacy that extended far beyond them ... in 1965, those 43 young people had the courage to walk through the doors and not always feel they belonged. And yet they kept walking through those doors because they absolutely did belong ... and because they walked through those doors, the generations who followed would never have to be first again.”

Monk worked with student artists from across the district in workshops, and incorporated their vision and creativity into the memorial project. Several of the student artists were in attendance and were recognized at the dedication ceremony.

“This project connects our past with our present and our future,” Oertling said.

Destrehan, East St. John renew rivalry

Smith to Ash connection powers blowout of Central Lafourche

Ryan Arena Editor
ryana@heraldguide.com

While East St. John has suffered back-to-back tough seasons, it’s a program that rarely stays down long – and also one that’s played some classic games against Destrehan over the years.

In Destrehan’s 2022 state championship season, East St. John gave DHS its biggest scare on the way to the championship – the Fighting Wildcats survived for a 21-20 victory, one that came down to Travon Thomas’ pass breakup on ESJ’s attempt at a game-winning 2-point conversion.

The two teams will play one another again this week – at press time, the game was still slated to be played Friday, though discussions of moving the game up one day in order to avoid inclement weather that’s expected for Friday night. Check heraldguide.com for an update on the game.

Regardless of when the game’s played, Destrehan head football coach Marcus Scott is preparing his team for a true battle against a River Parishes rival that looks to be back on the upswing. ESJ is 2-2 this season, already

surpassing its win total of a year ago, and defeated H.L. Bourgeois 41-0 last week in its district opener.

“I know what kind of job Coach (Brandon) Brown has consistently done there – anyone that knows football knows he and his staff do a really good job not only preparing their kids for competition, but for life,” Scott said.

Damon Scott leads East St. John at quarterback after earning a lot of experience a season ago. He’s a dual threat that can create big plays with his legs. But East St. John can stretch defenses vertically in a way few other teams can with leading receiver Deontae Fleming, who has blazing speed.

“(Fleming) I think gets most of the attention, and people don’t talk about (Damon Scott) a lot,” Marcus Scott said. “But he’s a quarterback who’s very mobile, with a strong arm and who can really push the ball downfield. He can get out of trouble with his legs. And you can see

Hahnville takes on Bourgeois for Homecoming

Celestine, Teague lead Tigers to 270 yard, 5 TD rushing night in win at Lutch

Ryan Arena Editor
ryana@heraldguide.com

Starting a season 0-2 is never fun for a program like Hahnville, even given the degree of difficulty of those matchups against a state champion and state runner-up in St. Charles and Shaw, respectively.

But the vibes are quite high for the Tigers after back-to-back wins over E.D. White and, most recently, Lutch – both of those on the road. Hahnville’s 42-21 win over the Bulldogs Friday saw the two teams duel to a 21-21 tie score in the second quarter before a dominant effort for the Tigers from there.

“You could kind of feel it Monday, a good energy,” said Hahnville head football coach Greg Boyne. “And I thought we by far had our best practice of the year.”

It was a good start to what will be an abbreviated week of preparation for the Tigers, as well as their opponent this week, H.L. Bourgeois. This week’s game will be Thursday night at Tiger Stadium due to concerns over inclement weather on Friday night. Thus, Hahnville’s Homecoming game comes one day earlier than expected. Kickoff is set for 7 p.m.

Boyne said the decision to move the game up a day was made because the weather situation extends into Saturday and perhaps Sunday as well – meaning there was the potential to not be able to get the game in at all if it were not played early.

Bourgeois went 5-5 last season, including a 48-7 loss

Hahnville’s Fabian Celestine stiff arms a defender on his way to a 200 total yard night as the Tigers defeated Lutch.

to Hahnville. New head coach Munchie Legaux, who starred at Karr and the University of Cincinnati as quarterback during his playing days, has taken on a rebuilding project of the Braves program, and the team fell

to 0-4 this season with a 41-0 loss to East St. John last week.

Ethan Rhodes leads the huddle at quarterback for the Braves, the sophomore winning a preseason competition for the position.

“They get the ball out quickly,” said Boyne. “(Rhodes) is similar to their quarterback last year. He’s got a good arm. He’s got some skilled guys to throw to as well.”

Defensively, La’Rance Mitchell can cause plenty of problems. The senior defensive end is a three-year starter and he earns high praise from Boyne.

“Aside from (Rontrae Carter) at Shaw, Mitchell is probably the best defensive player we’ve seen in these first five games,” said Boyne. “He’s a really good football player. Good size, good speed off the edge. He’s definitely a concern.”

On the opposite side, Tyler Harris is another talented and productive defensive end. At 6’2 and 230 pounds, he’s another disruptive force.

“They play a couple of different fronts, but neither of them come out the game,” said Boyne. “They may change the nose guard or defensive tackle, but those two stay out there consistently.”

DESTREHAN WILDCATS

PLAYERS of the WEEK

OFFENSE

Jaylan Ash
Wide receiver

Ash caught three passes on Friday – and did a ton of damage on them. He finished with 142 yards and two touchdowns as Destrehan rolled to a decisive win over Central Lafourche. His connection with quarterback Aushai Smith has already made a big impact this season.

DEFENSE

Cameron Florent

Linebacker

Florent made 8 tackles, five of those solo, and one of the highlights of the night – an interception return for a touchdown that saw him deflect a pass into the air before securing it and taking it into the endzone. It helped DHS earn a 43-7 victory over Central Lafourche.

SCENES FROM THE SIDELINES

Destrehan off to strong start under new coach

Ryan Arena Editor
ryana@heraldguide.com

A big tournament showing for Destrehan over the weekend brings the Fighting Wildcats to five wins in their last six matches – continuing a strong start to Jody Martin's debut season as DHS head volleyball coach.

Destrehan is 10-7 overall this season, earning wins over Hammond, 25-21, 25-13, Booker T. Washington, 25-11, 25-23 and Patrick Taylor, 25-21, 25-12 at the Kenner Discovery tournament this past weekend. DHS's lone loss at the tourney came against Pearl River, 20-25, 28-26, 15-11.

DHS has also earned wins over West Jefferson and South Terrebonne over the past 10 days.

Martin said he's felt welcomed and embraced by his players from the very beginning of his arrival at DHS and says that this is a group that's made the commitment to work for success. The Ladycats have found it thus far.

“The biggest thing is how committed everybody really is to the program,” Martin said. “All the way up until the season started, they’ve been dedicated to making this the best team it can be. That goes a long way and it shows on the court.”

Martin said the team has battled through a few injuries early on, but has shown resilience. That shows in some of the team's scores as well. A recent victory over South Terrebonne saw Destrehan fall behind two sets to none before reeling off three sets in a row to win 20-25, 18-25, 25-21, 25-22, 15-8 on the road. It was a quality win over a STHS team that has begun the season 8-4.

Communication, Martin said, was a key to turning that match around.

“A quiet court is a losing court,” said Martin. “If you’re

Jacee Pate of Destrehan

not able to communicate with your teammates, to pull them off that island they sometimes drift off to, it's hard to win volleyball games ... they decided they wanted to work for each other and not for themselves from the beginning of that third set. We limited our mistakes. Our JV got involved, really getting behind us and cheering

... it was a huge energy set from the second set to the third.”

Senior Victoria Morrow has been one of the leaders of the team. Martin called her the team's best defensive player.

“She’s a stud,” said Martin. “A fantastic player, but also a huge impact off the court as a leader. Everyone looks to her when times get tough, including myself. I lean on her to really make sure things are going well on the court, that people are in the right spots. She’s my biggest communicator.”

Senior Jacee Pate, the team's middle blocker, has been a force at the net.

“She’s been an absolute monster,” said Martin. “Her blocking percentages are very high. She’s adapted so well. I ask her to do a lot of things and she’s been up to that task.”

Fellow senior middle blocker Hannah Chaisson forms a tough tandem for the opposition up front.

“(Chaisson)’s got a huge, ferocious arm. She hits that ball. And she’s got such a big personality. Uplifting, happy, she’s a good teammate time and time again,” Martin said.

Junior setter Juliana Santos is off to a strong start as well.

"We all heavily rely on her. She has all of our setting reps, basically, as we're in a 5-1 rotation. She comes to practice every day, works hard and gets better. She makes our hitters better and in terms of being an athlete and a leader, in terms of volleyball IQ, Juliana's that total package."

WILDCATS from 7A

he's taken a big step forward this year, it's evident when you watch him."

Fleming can take the top off a defense, but he's also adept at making difficult, contested catches.

“He’s one of the best receivers in the state. People who have the chance to watch him play are getting a treat,” said Scott. “It’s not nearly as fun to coach against him, that’s not a lot of fun at all. Obviously, he’s got that speed, but his ability to make the tough catches in traffic, he really excels at that. Just because you have him covered doesn’t mean he’s not gonna catch the ball.”

Defensively, East St. John is on the rise. This talented unit is led by defensive end Jaylon Johnson.

"It starts up front with him. He's got a high motor and a quick first step

that's really impressive," Scott said. "He can cause all kinds of problems in the backfield. Their linebackers are sure tacklers and they really fly to the ball. They play several kids in the secondary, but they're all capable of making plays back there."

Destrehan moved to 3-1 last week (1-0 in District 7-5A play) with a 43-7 win over Central Lafourche at DHS.

Aushai Smith completed 6 of 8 passes for 163 yards and three touchdowns. Jaylan Ash caught three passes for 142 yards and two touchdowns. Malachi Dabney rushed 7 times for 71 yards and a score. Jordan Zeringue scored on a 54-yard run. Tony Crump scored on a reception, and Cameron Florent scored on an interception return.

TIGERS from 7A

them heavily, playing an aggressive man to man style.

"They're very fast and very athletic," Boyne said. "You don't see many teams play man defense as much as they do."

Against Lutch, it was a complete team effort in a decisive win.

Fabian Celestine rushed 26 times for 150 yards and two touchdowns. He added a 62-yard catch to finish with 212 total yards on the night.

Landen Teague completed 18 of 27 passes with a touchdown and an interception through the air, while rushing eight times for 62 yards and three touchdowns.

"It comes 100 percent down to preparation throughout the week. We work hard every day. Huge props to my O-line, they did amazing today. They work the hardest out of everyone all week," Teague

said. "Without that line, I wouldn't be anything."

Treson Fields rushed seven times for 68 yards – as a team, HHS rushed for 270 yards and five scores.

Dwayne Cola caught five passes for 77 yards and a touchdown. Kaiden Bran caught six passes for 75 yards and Aaron Williams four for 44 yards.

Defensively, Hahnville earned 10 sacks, including 3.5 each by Beaux Woods and Tyler Martin.

"I made a lot of mental mistakes in the first half, and my coaches just trusted and put me back on the field. I used my speed moves and my hands to my advantage ... I used the things the coaches said at halftime as my fuel. And I've got to give a whole lot of praise to our secondary as well," Woods said.

I. RISK MANAGEMENT & INSURANCE COMMITTEE

A. Aucoin called the Risk Management & Insurance Committee meeting to order.

A. Monthly Legal Update - Executive Session - COMMITTEE MEETING

Motion by R. Gregson; second by Becky Weber per L.R.S. 42:16-17, the Board entered into Executive Session to discuss legal items and cyber liability insurance renewal.

B. Cyber Liability Insurance Renewal

Motion by Ray Gregson; second by Becky Weber to return to regular session.

C. Selection of School Board Excess Liability Insurance and Aviation Insurance

St. Charles Parish Public Schools purchases excess liability insurance to protect the District from claims brought by third parties. The current liability package coverage is provided for excess general liability, auto, educators' legal liability, employment practices liability, sexual abuse, and molestation liability. The District also purchases a separate insurance policy to cover unmanned aerial vehicles. The renewal of the excess liability insurance coverage will take effect on October 1, 2026.

Darrinisha Gray, Director of Risk Management and Insurance, turned the meeting over to representatives for Gallagher, Marian Laughlin and Beau Stelly, to discuss renewal options and differences in liability package options. The cost structure summary was reviewed. They obtained quotes from Metis and Old Republic, and the main differences were in sexual abuse and auto liability SIR's. Darrinisha recommended Metis Option 1 or 2. Ray Gregson stated three items seem to have increased and two decreased, and he questioned the difference in being included in the SIR or having its own SIR. Darrinisha stated that each occurrence has its own limits. The higher the SIR, the more flexibility that we have.

Art Aucoin said we will move the recommendation of Metis Option 2 to the Board table.

This item will be on the September 23, 2026, Board meeting agenda.

Motion by R. Gregson; second by K. Boudreaux to adjourn.

R. Gregson called the Technology Committee meeting to order.

A. Request for Proposals - Internet Access and Wide Area Network Connection

District internet access and wide area network connection services are critical to facilitate business functionality, support teaching, and provide web-based instructional resources. Eligibility for E-rate funding depends on completing the formal request-for-proposals process within the application timeline. If attained, E-rate funding will significantly reduce the cost of these services to the District.

Executive Director of Information Technology Services, Kelsey Hegel, presented the RFP for internet access and wide area network connection. This RFP will help with resiliency by giving us another internet access line. It will be a separate circuit and help us have consistent access on both sides of the river. R. Gregson reiterated the resiliency of this RFP. It was asked if we should have separate companies for these two lines, and K. Hegel stated it would be better to have one company to support both. They would support the entire network as a whole.

This item will be on the September 23, 2026, Board meeting agenda.

Motion by K. Boudreaux; second by A. Suffrin to adjourn.

V. FINANCE & AUDIT COMMITTEE

A. Suffrin called the Finance & Audit Committee meeting to order.

A. Statement of Cash and Investment Guidelines

Upon review of the Statement of Cash and Investment Guidelines, revisions within the parameters set by state law are advisable to allow the School Board to implement best practices and strengthen internal controls.

Chief Financial Officer, Adam Neighbors, and Internal Auditor, Seth Nabathkhorian, presented the changes to the statement of cash and investment guidelines. This was last presented to the Board in 2021.

This item will be on the September 23, 2026, Board meeting agenda.

B. Accounts Payable

Invoices and other financial obligations of the school district are customarily paid weekly. Request for approval of these transactions is normally made to the Board monthly. The Board must approve expenditures of public funds under its jurisdiction.

A. Suffrin asked the Board to review attachments at their leisure.

This item will be on the September 23, 2026, Board meeting agenda.

Motion by K. Boudreaux; second by R. Gregson to adjourn.

VI. Miscellaneous Items

Dr. Oertling asked Regina to come forward to discuss the memorial dedication.

Director of Public Information, Regina McMillan, stated the Trailblazers Memorial dedication will begin at 4:30 on Wednesday, and she discussed the setup and agenda. The ceremony will be held in the Board room and the viewing will be outside.

A. Consent Agenda Items

The Board President, with the full Board, discussed and agreed to consent voting on the following items at the Wednesday, September 23, 2026, Board meeting:

13 items will be consented at the Board Meeting: Items D, E, F, G, H, L, M, N, O, P, Q, R and S from the Board meeting agenda.

Motion by K. Boudreaux; second by R. Gregson to adjourn.

VI. Closing Items
A. Standing Committee Report – None
B. Information Items – Out of District Travel September 2026
C. Superintendent's Report
Event Safety Guidelines - As the athletic season is underway, please remember that St. Charles Parish Public Schools implements event safety guidelines, including a bag protocol. Allowed bags include:
• Bags smaller than 4 x 6 ½ inches or
• Clear bags smaller than 12 x 12 inches
This bag protocol applies to all events hosted by a school, the school system, or the Lafon Arts Center. The complete bag protocol is available on the district's website. Additionally, any child not currently attending high school must be accompanied by an adult for admittance to an event, and high school students must present their school ID if using a student ticket for entry. St. Charles Parish Public Schools is committed to the safety and well-being of our students, employees, and stakeholders at large. We appreciate your support as we continue working together to provide all with an enjoyable event experience.
Principal of the Year - Congratulations to Ms. Christina Mullins, Principal of R.J. Vial Elementary School, on being selected as this year's St. Charles Parish Public Schools Principal of the Year. She is an exceptional leader who leads by example, with her heart, and always puts our students first. She will represent this district well in the next level of state competition.
Fall Break - Fall Break is October 12th and 13th. While schools are closed, the Central Office will be open on both days.
Digital Wellness - St. Charles Parish Public Schools' Digital Wellness campaign runs from September through May. Each month focuses on a digital wellness theme and includes an introductory video and an online interactive activity for students. Weekly resources provide information and practical tips of students, families, and teachers. The district also shares family resources through its social media channels each week. The SCPPS Digital Wellness site brings these materials together and helps families continue conversations at home. Through this shared effort, we aim to help students maintain a healthy balance in their technology use, make safe choices online, and use digital tools responsibly.
Pink Links - Once again, the Health Science classes at the Satellite Center are partnering with the American Cancer Society to raise funds during their 15th Annual Breast Cancer Awareness Project - Pink Links. Students sell Pink Links for \$1.00, and schools participate to help raise money as the East and West banks compete to see who can raise the most for breast cancer research. The winner will be announced during halftime at the Hahnville vs. Destrehan football game on October 16th. Chains will be pulled out on the field along the sidelines. After the winner is announced, the chains will be linked together to show how the St. Charles Parish community supports breast cancer awareness.
Attendance Awareness - September is Attendance Awareness Month, and I would like to recognize R.K. Smith Middle School for the progress they have made in improving student attendance. R.K. Smith Middle School's attendance rate improved by 20% from the 2024-2025 school year to the 2025-2026 school year. Through attendance incentives and a continued focus on encouraging students to be present and engaged at school, the R.K. Smith community has demonstrated the impact of making attendance a priority. As we continue to recognize Attendance Awareness Month throughout our school system, we want to remind our students and families that every day at school matters and that your presence matters. To close, we would like to share a short video highlighting the importance of school attendance and featuring students and staff from R.K. Smith Middle School.
